## **VAN BUREN CHARTER TOWNSHIP ANNOUNCES TIME LAPSE CAMERA**

**VAN BUREN TOWNSHIP, Michigan, March 16, 2023.** Van Buren Township is pleased to announce the installation of a time-lapse camera that captures our Community Center construction.

This camera allows community members to view time-lapse videos of the Community Center's progress and provides a live stream of the construction.

Both features are accessible from the Township's website homepage, [vanburen-mi.org](http://vanburen-mi.org), and the Community Center [page](#). In addition, interior pictures are being added monthly to the [Online Photo Gallery](#).

Van Buren Township celebrated the Community Center [Ground Breaking Ceremony on January 31st, 2023](#). It is expected to be completed by Spring of 2024, adding 21,763 sq. ft to the old center.

Some upcoming features are a black box theater, child watch area, elevated walking track, gift shop, group fitness area, gym, individual fitness area, outdoor plaza, senior center spaces, and much more.
