Wayne County Opens a Vaccine Clinic in Van Buren

A vaccine clinic has opened Monday, April 19 at the Wayne County Community College-Ted Scott Campus. The building is located at 9555 Haggerty Road in Van Buren Twp. It will be open 8 a.m. to 3 p.m. Monday through Saturday.

Vaccines are available to ages 16+. For those under 18 a parent must be present or available over the phone. No appointments necessary. Walk-ins are accepted or call 866-610-3885 to schedule an appointment.

"We're excited to be able to offer a vaccine clinic in our own backyard. I encourage every adult that hasn't received their vaccine yet to get it" said Supervisor McNamara. "The vaccines have proven to be safe and effective. Getting our entire adult population vaccinated is the quickest way we will all get back to normal." He said.
