APPLICATION FOR ELECTRICAL PERMIT (STANDARD*)

*This application is for standard electrical work that is non-fire related electrical work, except for installation of individual smoke detectors. Electrical work related to fire protection and detection systems such as alarm system installation must be applied for using the **Fire Permit Application**.

NOTICE TO HOMEOWNERS: It is recommended that if you have hired a contractor to do the work for you that the contractor is the one to obtain the permit. A final inspection is required for all permitted work; the final inspection should be done before releasing your contractor.
