Wrench Yes _____ No _____

Location of hydrant used _____

Reason for Use _____

- Permits are for a maximum of 30 days and are for the specific hydrant indicated. If you need to change hydrants and/or need to use meter longer than maximum time allowed you must obtain a NEW permit.
- The daily rental fee will be charged for every day from the date of permit through the date the hydrant meter is returned to the Water Department.
- There will be no hydrant used without a meter.
- Meters MUST be supported
- Hydrants must be pumped down every day after use.
- A \$50.00 daily winterization fee will be charged to all rentals from September to April.

I have read terms of usage and agree to pay all charges plus any damage to the water system.
