

HOUSEHOLD HAZARDOUS WASTE COLLECTION DAY

FREE ONE DAY DROP OFF
*Driver's License with
Van Buren address required*

SATURDAY, OCT 8, 2022
9 am - 2 pm

US ECOLOGY (East Parking Lot)

Many household products require special attention in their use, storage and disposal. A product is considered "hazardous" if it is:

- Toxic or Poisonous
- Ignitable/Flammable
- Corrosive
- Reactive (products that can explode if exposed to heat, air, water or shock)

Check the label to see if a product is hazardous. If it says **Warning, Caution, Danger, or Poison**, consider it hazardous. Unwanted portions of hazardous products are considered to be hazardous wastes and should be treated in a careful manner to avoid accidents or polluting our environment.

All products should be tightly sealed to prevent spillage while transporting to the facility and all containers brought to the collection must be left at the collection.

Products will not be accepted in milk jugs because the plastic is thin and punctures easily.

ACCEPTABLE ITEMS

KITCHEN/BATHROOM

Bug Sprays, Floor Product, Furniture Polishes, Nail Polish, Metal Polish, Medicines, Cleaning Products.

GARAGE

Trans Fluid, Auto Batteries, Battery Acid, Brake Fluids, Car Waxes, Diesel Fuel, Antifreeze, Gasoline, Kerosene, Motor Oil, Propane Tanks (20 lbs max).
