History of Vilas County

William F. Vilas

The territory making up today's Vilas County was originally part of Marathon County, then Lincoln County and finally Oneida County. Vilas County was set apart from Oneida County on April 12, 1893. Initially, Vilas County was comprised of only two towns; Eagle River and Minocqua. The Town of Minocqua would later become a part of Oneida County. The town of Arbor Vitae was created in 1899. The Town of Lac du Flambeau was created in 1900 and the Town of Hackley (now Phelps) was created in 1905, when the present boundaries of Oneida and Vilas counties were made final.

Early in 1907, the Town of State Line (now Land O'Lakes) was created from the Town of Eagle River, as were the towns of Conover, Farmington (now St. Germain) and Winegar (now Presque Isle). On December 8, 1910, the Town of Plum Lake was formed from territory detached from the town of Arbor Vitae.

In 1914 the towns of Lincoln and Washington were each created from territory removed from the Town of Eagle River. Winchester and Cloverland townships were created in 1921, the former from territory in Winegar and the latter from the towns of Conover, Lincoln and Farmington. On March 10, 1921 the City of Eagle River was incorporated from territory contained within the Town of Lincoln. The Town of Spider Lake (now Manitowish Waters) was created in 1926. The Town of Boulder Junction was set apart from the Town of Arbor Vitae in 1927.

Vilas County currently consists of fourteen towns and the City of Eagle River. The towns include Arbor Vitae, Boulder Junction, Cloverland, Conover, Lac du Flambeau, Land O' Lakes, Lincoln, Manitowish Waters, Phelps, Plum Lake, Presque Isle, St. Germain, Washington and Winchester.

Vilas County is approximately 652,067 acres in size, with 555,374 acres of land and 93,923 acres of water. The county contains 1,320 lakes, 563 named and 757 unnamed. It is located in northern Wisconsin and borders Michigan's Upper Peninsula.

In 1899, the property valuations in the three towns that made up Vilas County totaled \$2.9 million. Today, the equalized property valuations in the 14 towns and one city that comprise Vilas County total \$6.75 billion.

The county seat is located in the City of Eagle River. Vilas County is governed by 21 supervisors representing 21 districts. They oversee county departments, establish policies and ordinances, and assess a property tax levy in accordance with an annual budget to provide for all county services.

*Established on April 12, 1893,
Vilas County was named for Civil
War Lt. Colonel, William F. Vilas.
Vilas served as the U.S.
Postmaster General from 1885-
1888, Secretary of the Interior
1888-1891 and a Wisconsin U.S.
Senator 1891-1897.*

The 2019 county budget was approved at \$35.7 million, of which \$16.5 million will be levied as a county property tax. The county portion property tax rate for 2019 is \$2.36 per \$1,000 of equalized value property. Vilas County collects a ½% county sales tax that in 2018 generated \$2.6 million in revenue. Additional revenues are received from fees, fines and state and federal sources.

VILAS COUNTY BOARD OF SUPERVISORS

The Vilas County Board of Supervisors is comprised of 21 Supervisors representing 21 supervisory districts. Eligible voters residing in each district elect a County Supervisor for a 2 year term. Candidates for the County Board are elected in even-numbered years coinciding with the April general election cycle. County Board candidates receiving the majority vote in the April general election are sworn in at the April organizational meeting of the County Board. At that meeting the newly seated County Board elects County Board leadership consisting of a County Board Chairperson, Vice-Chairperson and a 2nd Vice-Chairperson. Committee assignments are then determined by County Board leadership.

Board Actions

The County Board governs and legislates by means of resolutions and ordinances. Resolutions are written documents describing the will (resolve) of the Board. Adopted resolutions remain in force until rescinded or superseded in whole or in part. Ordinances become enforceable county code (law) upon adoption and publication. Ordinances remain in force until amended or rescinded in whole or in part. The Board may also take other actions as permitted by statute, Board Standing Rules and parliamentary procedure.

Meetings of the County Board

County Board meetings are open to the public. Notice of every County Board meeting, by means of a published Board agenda, is provided to numerous government, civic and media outlets within and without Vilas County. Current year meeting agendas may also be accessed online at <http://www.co.vilas.wi.us/calendar>. Public attendance at Board meetings is encouraged. However, public participation at Board meetings is limited to the items listed on the meeting agenda and subject to the discretion of the Chairperson. Individuals wishing to speak before the Board should contact their County Board Supervisor, who may then request that the Chairperson recognize and allow that individual to address the Board.

Meeting Dates and Times

The hour of meeting shall be 9:00 a.m., unless adjournment to some other hour or at the call of the Chairperson. Regular County Board meetings shall be held the 4th Tuesday of January, February, March, May, June, July, August, September and October. Pursuant to Wis. Stat. §59.11(1)(a), the Annual County Board meeting shall be held at 9:00 a.m. on the first Tuesday after the second Monday of November. When the day of the meeting falls on November 11, the meeting shall be held on the next succeeding day. Meeting dates, times and locations are subject to addition or change as deemed necessary by the County Board Chairperson.

Closed Session Meetings

Periodically, issues may arise which require the County Board to adjourn into a Closed Session, pursuant to Wis. Stat. §19.85. All persons not required to be present during the Closed Session will be required to leave the meeting room at that time.

Proceedings (minutes) of the Vilas County Board

The Vilas County Clerk is responsible for transcribing, posting and archiving County Board meeting minutes. Meeting minutes are not full transcriptions of Board deliberations; minutes only summarize Board proceedings and describe all Board actions taken. Current year posted County Board meeting minutes may be accessed online at <http://www.co.vilas.wi.us/calendar>

Vilas County Board Committees

Wisconsin counties commonly structure County Board legislative and oversight activities around a system of committees, primarily comprised of elected Board Supervisors. County committees are also limited in their scope and jurisdiction. County committees are the primary means by which resolutions and ordinances are created and forwarded to the County Board.

Committee Meetings

Public attendance at committee meetings is encouraged and the public is notified prior to each committee meeting held. Meeting agendas are published in most instances more than 48 hours prior to a meeting. Agendas include a list of items for discussion and possible action. Public participation at committee meetings is limited to items listed on the meeting agenda and is subject to the discretion of the committee Chairperson. Current year posted committee meeting dates, times and agendas may be accessed online at <http://www.co.vilas.wi.us/calendar>

Committee Meeting Minutes

Committee meeting minutes are transcribed and archived. Current year meeting minutes can be accessed at <http://www.co.vilas.wi.us/calendar>

Archived County Board and Committee Meeting Agendas and Minutes

Five years of archived County Board and Committee meeting agendas and minutes are posted at the Vilas County Government website at www.co.vilas.wi.us. Click on the Information tab. If certain meeting minutes cannot be found, contact the Vilas County Clerk at 715-479-3600.
