# DEDICATION

## RONALD DOLLOFF

BY: STEVE CARTWRIGHT

Linda Pease stood in the Ronald Dolloff auditorium and closed her eyes. She remembered seeing her dad in 1968, so proud of the gleaming new Medomak Valley High School, where he would serve as assistant principal and principal for 40 years. That was on top of a decade of teaching math at Waldoboro High School, later the A.D. Gray Middle School.

Linda closed her eyes and recalled being an MVHS student, and later returning to teach there. Standing in the auditorium, named for her late father, she didn't cry. But her words came from the heart. She wanted students to appreciate where they are, and what they have. Her dad would approve.

Ronnie had a lot of heart. He loved his students, his teachers, his staff - even if they nearly drove him crazy. Ronnie's buoyant good nature must have helped him through many tough times. He also played piano and organ, and music is food for the soul. He strongly believed education must include the arts, and it would be a rare school drama or other event where he wasn't present, thoroughly enjoying it.

the Waldoboro Democratic Committee. He joined the Grange at age 5, and was a mainstay of Meenahaga Grange in Waldoboro.

Ronnie would be proud to see Linda helping young people succeed at MVHS, now as Assistant Principal. And Waldoboro is proud of his lasting legacy. As one teacher, now living in Pennsylvania put it, "I am proud

He played the organ at Waldoboro Methodist Church for four decades, and he played for the Grange and countless other occasions.

to have worked so closely with an educator who constantly put the interests of the students first. He was a leader and a good friend who will be greatly missed."

As if running a school weren't enough, Ronnie served as town selectman, acting town manager and chair of

# TOWN MANAGER'S REPORT

## Residents and Select Board of the Town of Waldoboro.

I would like to thank you all for the warm reception many of you have continued to give me as I enter my third year here in Waldoboro. As I said in the 2014 and 2015 addresses, you will frequently hear me say, "Don't look back, we're not going that way." I have great respect for history, but, we are moving into FY 2017 and it presents many challenges we have never faced before.

We saw many changes over the past year. Some changes were made deliberately and others were beyond our control. My budget is presented as a return to service, recognizing the positive shift in the economy as well as a flurry of requests to return two town departments to full-time status. Those Planning and Recreation Departments will continue to be headed up by Emily Reinholt and Kyle Santheson respectively. I am pleased to inform you we have re-established the Economic Development Committee. This group of dedicated volunteers is working hard to establish their mission and create objectives. Additionally, we have split out the broadband sub-committee from the economic development committee as those folks work feverishly to bring fiber optic broadband capacity to Waldoboro. To that end, in partnership with Lincolnville Communications, INC., they have brought that capacity to the village and along portions of Route 1. The town office is now hooked up to the service and our ability to streamline our services for you will only become more apparent as we transition. We have also submitted a grant request to serve portions of North Waldoboro who currently have little to no access to quality internet service.

Work has been done in earnest over the past six months to bring the significantly outdated (1998) Comprehensive Plan up to date. We want anyone who has an idea or solution for making Waldoboro more economically viable, to participate in the many sessions we have set for public input. Go to, our webpage and search under committees for a list of all opportunities.

The proposed municipal budget for the Town of Waldoboro for FY 2017 encompasses the period July 1, 2016 to June 30, 2017. The proposed non property tax revenues are budgeted at \$2,373,455 an increase of \$243,064 or +11.41%, from FY 16. We see this as another sign of the turn in the economy. The majority of this increase is due to an increase in excise tax receipts as well as the restructure of the homestead exemption reimbursement program. The total proposed expenditures are budgeted at \$4,382,646 an increase of \$331,402 or 8.18%.

Joint budget review meetings of the Board of Selectmen and the Budget Committee were held March 22, 24, and 29 at 6:00 p.m. at the municipal building. The Board of Selectmen finalized the town meeting warrant at its meeting of April 12, 2016.

# TOWN MANAGER'S REPORT

Town Meeting, including election of officers, is scheduled to be conducted by referendum on June 14, 2016 at the municipal building beginning at 8:00 a.m. with polls closing at 8:00 p. m.

A few general highlights of the proposed budget are as follows:

- Expenditure amounts are proposed at a level that attempts to restore programs and services that had been adjusted in past years. Among those programs:
  - Restoration on the paving program to 5 miles per year. This results in a \$134,000 increase over last year. (capital)
  - Purchase of a snow blower/tractor for the sidewalks. We have approximately 5 miles of sidewalks and have a grant request in to build approximately one additional mile. The budgeted figure is \$30,000, which will go out to bid if adopted. (capital)
  - Restore the Office of Recreation Director to full-time status. The comprehensive plan focus groups clearly indicated the desire to have a robust recreation program and with the absence of the commitment from the CLC YMCA we have reintroduced this full-time status. (operational) \$23,400 increase.
  - Budgeting for a full-time Planning and Economic Development Director. (operational) \$14,300 increase.
- Address the salary in the Office of Town Manager in accordance with the Mid Coast salary survey as funded by the town of St. George in 2016. It is important to note the proposed salary increase is still \$3,000 less than the median salary for all managers.
- Salaries or wages for regular employees are budgeted at an average 1.0% increase or approximately \$13,600 to the budget.
- The town contribution rates to the employee retirement plan, Maine Public Employees Retirement System (Maine PERS), increased from 11.0% to 11.4% for police officers and from 8.9% to 9.4% for all other eligible employees.
- Increase in Worker's Comprehensive Insurance by \$29,200 or 32.8%
- The contribution to the Capital Budget, which provides funding to reserves for major equipment and vehicle purchases as well as other capital projects, is increased by \$210,656 from FY16.
- The Town's General Fund Undesignated Fund Balance at June 30, 2015 was \$1,327,270. This was an increase of \$270,658 from the June 30, 2014 amount of \$1,056,612. Trends continue where we are positively impacting the overall fund balance and we expect to add more at the end of 2016.
- As of this writing the RSU/MSAD 40 and Lincoln County FY 17 tax assessment amounts for Waldoboro have not been finalized.

# TOWN MANAGER'S REPORT

Over the past year we celebrated many occasions and gathered to remember those who are no longer with us. Some memorable days include, Waldoboro Day, Easter Egg Hunt, and Santa Comes to Waldoboro to name a few. We congratulate Jeff Hurd and Josh Howell of Cider Hill Farm, for being recognized by the state as Landowners of the Year for Stewardship. We also lost a number of long-time and dedicated folks including, but not limited to, Ronald E. Dolloff to whom this report is dedicated. Your time, past and present and in your memory is what makes Waldoboro a friendly and welcoming town.

I will reinstate the Waldoboro Walk and Talk program in an attempt to meet you on a less formal basis to engage in conversation. A number of folks told me, they felt an office appointment was overly formal. So twice a week, weather and schedule permitting, you have an opportunity to join me for the "Waldoboro Walk and Talk" program. Join me for a lap or two around the perimeter of the Town Office and talk about anything you think I should be made aware. Eight trips around the building equals one mile. Check the website calendar for schedule and updates.

If you have any questions, or ideas that you would like to discuss, please feel free to contact me at the Town Office or by email at [townmgr@waldoboromaine.org](mailto:townmgr@waldoboromaine.org). In closing, I would like to thank the dedication of all the municipal employees who work very hard to satisfy your need for municipal services. I would also like to thank the Board of Selectmen and the various other volunteer boards for their efforts.

I continue to attend as many community events as possible, so feel free to call the town office, if you would like me to attend one or more of your events. I am available to speak to your organization or just be in attendance. I am thrilled with the high level of professionalism and knowledge the long-term employees bring to the community. We will continue to provide the service that you all have come to expect.

Respectfully submitted:

Linda-Jean Briggs  
Waldoboro Town Manager

# ASSESSING DEPARTMENT

## Refundable Property Tax Fairness Credit

...can be claimed on the Maine Individual Income Tax Form 1040ME

If you paid property tax or rent, go to [www.maine.gov/revenue/forms](http://www.maine.gov/revenue/forms)

The Maine Revenue Service, Property Tax Division, completes a study each year to certify the ratio of assessed value to sales price. Provided that Waldoboro's ratio is within 10% of market value, the Town will receive full reimbursement of State funds. The 2 year study, based on sales between January 2013 and December 2014, resulted in a ratio of 115% on average for residential properties. Given that the ratio was over 100% for the 7th year in a row, the Board of Assessors voted to lower land values and the depreciation on buildings for 2016.

The 2015 tax commitment was made on September 1, 2014 with a tax rate set at \$13.70 per \$1,000 valuation. The Board of Assessors conducted 25 abatement requests and granted 21 of those requests. The Board approved: 5 farmland classification, 39 homesteads and 8 veteran exemptions.

### New Laws of Interest Passed Relating to Property Tax:

- Homestead Property Tax Exemption will increase to \$15,000 for FY17 and then \$20,000 for FY18.
- Vietnam Vets previously had to have served 180 days to qualify, now it is regardless of days served.

**Fairness Credit or Rent Refund** - If your total income during 2014 was not more than \$33,333 if single, \$43,333 if no more than 2, or \$53,333 for more than 2 and your home property tax was more than 60% of your total income, or rent was more than 40% of your total income.

**Property Tax Exemptions and Requirements** - Applications for property tax current use classification or exemptions must be furnished to the Assessors' Office by April 1 for first time applicants.

Additional information concerning requirements and qualifications for current use classification or exemptions are available at the Town Office or online at [www.waldoboromaine.org](http://www.waldoboromaine.org).

Current use classifications or exemptions are Farmland, Homestead, Open Space, Tree Growth, Blindness, Veterans, Working Waterfront, Benevolent & Charitable, Literary & Scientific, and Animal Waste Storage exemptions.

<b>TOTALS</b>	<b>\$1,850.87</b>	<b>\$372.64</b>	<b>\$783.00</b>	<b>\$930.00</b>

## WHAT ARE PROPERTY TAX ABATEMENTS?

Abatements are reductions in one's assessed value. They are granted when an error in valuation is discovered or a taxpayer proves that the assessed value placed on their property is overvalued, unfair, or wrong. A taxpayer seeking to challenge a property tax assessment has the burden of proving that:

1. The judgement of the Assessors' Agent was irrational or so unreasonable that the property is substantially overvalued and an injustice results;
2. There was unjust discrimination; or
3. The assessment was fraudulent, dishonest, or illegal.

To prove this, they may take the following steps:

- Review the property record card (available in the assessor's office) to assure the accuracy of its data.
- Check sale prices of similar properties, and review their ratio to assessed value.
- Request a valuation review by the assessors' agent.

- Make a formal abatement request if not satisfied by the assessors' agent to the Board of Assessors.
- Provide evidence to the Board of Assessors that the property assessment is manifestly wrong based on unjust discrimination or substantial over-valuation.

The property owner has 185 days from the commitment date to file a formal abatement request (which was March 4, 2016 for the FY2016 tax year). The Board of Assessors may go back one year in granting an abatement to correct an error in valuation. According to Maine's courts, any misclassification of property resulting in an assessment that is too high, is an error in valuation. The Board of Selectmen may go back three years, but only to correct an illegality, error, or irregularity in assessment. Over-valuation abatements are limited to one year only.

## TOWN OF WALDOBORO, MAINE

RECONCILIATION OF THE GOVERNMENTAL FUNDS BALANCE SHEET  
TO THE STATEMENT OF NET POSITION  
JUNE 30, 2015

	Total Governmental Funds
Total Fund Balances	\$ 2,765,716
Amounts reported for governmental activities in the Statement of Net Position are different because:	
Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds, net of accumulated depreciation	7,382,852
Other long-term assets are not available to pay for current-period expenditures and therefore are deferred in the funds shown above:	
Taxes and liens receivable	385,900
Deferred outflows of resources are not financial resources and therefore are not reported in the funds	244,305
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds:	
Bonds payable	(461,282)
Capital leases payable	(235,905)
Accrued landfill expenses	(278,000)
Accrued compensated absences	(92,151)
Net pension liability	(407,764)
Deferred inflows of resources are not financial resources and therefore are not reported in the funds	<u>(508,808)</u>
Net position of governmental activities	<u><u>\$ 8,794,863</u></u>

# PUBLIC WORKS

Winter roads are again a major topic of discussion. We are responsible for plowing and sanding ALL roads in Waldoboro with the exception of Route One and Route 32 (North of Route One). Costs for this work have risen tremendously in the last several years.

The Public Works Department is occasionally criticized for improper maintenance of the winter roads and sidewalks, but we try to find the proper combination of maintenance efforts and cost savings. Although we would certainly like to use more salt but it would require more funds than are presently budgeted. This year's budget allows for the purchase of a tractor to facilitate sidewalk snow clearing.

All paved roads maintained by the Town are reviewed each year to determine their condition. On average, the roads were paved every 8-10 years. Unfortunately our road improvement program has suffered over the last 7 years due to budget constraints and higher prices of materials. Because of this, some of our roads are only scheduled to be repaired every 18-20 years. Thankfully this year's budget will allow for the Town to start getting back on track.

Resurfacing, or rehabilitation work, is performed on roads that are deemed to be in poor condition. Residents are typically notified in advance of work that may interfere with their use of the road. Before major road repair work begins, utilities are notified.

To prepare roads for paving, the Public Works Department excavates the ditches, replaces damaged culverts, removes ledge, and corrects any drainage and erosion problems that may have occurred since the last paving.

This year's paving will consist of:

- Goshen Rd.
- Pine St.
- Bowden Rd.
- Miller Rd.
- Medomak Terrace

Respectfully Submitted

John R. Daigle,  
Public Works Director

Mailboxes need to be 42 inches off the ground, and the pole needs to be 3 feet from the edge of the pavement.

# SOLID WASTE AND RECYCLING

The recycling efforts by all residents of the tri-town area have been rewarded by the continued reduction of our solid waste going to Penobscot Energy Recovery Corporation (PERC) for incineration. We have realized substantial savings in tipping fees in the amount of \$53,092, and also residents recycled 642.57 tons with an additional saving in tipping fees in the amount of \$63,614. This is a total savings of \$116,706 !

During the last year, the Transfer Station adopted two new programs to reduce the cost of operations: food waste composting and PaintCare (yes, we now take paint). The success of both programs should remove at least 20% of waste from the disposal waste stream, which ultimately reduces the operational budget and environmental impacts.

The Municipal Review Committee (MRC) continues their work planning for the expiration of the Municipal Solid Waste Agreement with PERC in 2018. The MRC is the group organized to oversee PERC operations on behalf of the 187 municipalities that are limited partners in PERC (including Waldoboro). Concurrent with the waste disposal agreement expiration date, the Power Purchase Agreement with Emera, formerly Bangor Hydroelectric, terminates as well. The landscape in which your trash has been disposed of for nearly 30 years has the potential to change dramatically.

Three years ago, the MRC sent out a request for Engineering Interest for new technologies as well as retrofitting the PERC plant. The MRC elected to investigate a process that produces engineered fuel products. The company who owns this technology is called Fiberight. A feasibility study performed by the University of Maine confirmed that the technology was valid and scalable to the MRC members needs.

The MRC entered into a development agreement with Fiberight and has since purchased an option on a piece of property in Hampden to site the facility. The permitting process has begun and the goal is to have the facility operational by 2018.

An engineering firm was hired by the Waldoboro Selectmen to evaluate future solid waste options for the tri-town transfer station. Pine Tree Engineering conducted this disposal evaluation outlining the environmental impacts, costs, and other considerations for municipal solid waste treatment and disposal. The report by the firm recommends the new MRC contract, that includes Fiberight LLC, for future waste disposal as it would be the most cost effective.

The six members of the Transfer Station Committee recommended the MRC / Fiberight Contract unanimously. I agree that Fiberight is the most cost effective option with a savings of \$62,500 in the first 5 years and a potential for more in the future. It is also the right thing to do for the environment.

As always, thanks to all those who make this job ever interesting, and often a real pleasure.

Respectfully Submitted

John R. Daigle,  
Public Works Director

# RECREATION

The Recreation Department has completed 10 years of dedicated service to the citizens of Waldoboro. We have had many successes. Most notably was the creation of the Waldoboro Recreation Complex. The ball fields are in top condition and have been sought out for “state” level competitions. Positive comments are routinely received from managers, players and parents alike from all over the state.

**YMCA PROJECT** - Unfortunately this year, we hit one of those low points when the Central Lincoln County YMCA board of directors voted to withdraw from the lease of the AD Gray property and terminate the YMCA project. According to a press release provided by CLC YMCA Director Meagan Hamblett on May 13th, the decision to terminate the project came down to the following:

- 1.) “The CLC YMCA must first and foremost be committed to its current facility needs in Damariscotta with the addition of an aquatics facility. The commitment and promise to improve the Damariscotta facility pre-dates the initiative in Waldoboro.”
- 2.) “The Waldoboro YMCA “Big Question” did not successfully pass through the strategy screen. The big question of will the addition of a branch YMCA in Waldoboro promote fiscal viability and results that are financially sustainable was ultimately too large a leap in faith – one the current board is no longer willing to risk.”
- 3.) “A YMCA facility in Waldoboro needs to be more of a grass roots effort from within the community. Volunteers, financial support and programming needs must be developed from within Waldoboro. With the exception of a handful of dedicated volunteers, there hasn’t been enough support to demonstrate the ability to sustain a facility there, at this time.”

In the end, the YMCA spent (with select board approval) a total of \$211,957.92 from the Ann-Gay Bailey Charitable fund trust remainder for improvements to the AD Gray building for architecture, roof replacement, roof drain re-routing, asbestos removal and exterior lighting among other things.

The building currently sits dormant and we are exploring other options. No plans have been developed.

**RECREATION DIRECTOR POSITION** - Over the course of the last 3 years, the Recreation Director position has been systematically reduced from 40 hours to 20 hours in anticipation of the opening of a YMCA facility in Waldoboro. The original philosophy was to avoid the duplication of services within the town. With cancellation of the project, I am recommending that the Recreation Director position be returned to a full time position beginning in July 2016.

The demand for Recreational Services remains very high and the current workload far exceeds the hours budgeted. Despite an attempt to reduce the amount of work by eliminating programming and reducing maintenance and support, I have worked many uncompensated hours and lost vacation time in order to meet the needs of the program.

Impacts to Recreation Program due to reduced program hours include:

- Unable to seek professional development.
- Cancellation and reduction of maintenance projects at Rec Complex, Philbrook Field & Tennis Courts.
- Reduction in support for programs.
- Cancellation of programming (Celtics Bus Trip, Christmas Shopping bus trips, skating, Recreation Brochure, Waldoboro Day activities, Competition Cheering)
- Inability take on new programming. (New requests are continually received: youth basketball for Grades 3-6, pickle ball, walking club, tennis, ice skating rink to name a few)
- Unable to plan for the future.

Waldoboro continues to garner statewide recognition for the Little League Baseball & Softball program. In July, Waldoboro hosted the 2014 Maine State 9/10 Division Little League Softball Championship Tournament at John Foster Field. The local program remains operating at a high level with many children involved. In addition to the traditional spring season, a fall season was added in the baseball program. In December, we were

# RECREATION CONT.

notified that Waldoboro had been selected to host the 11/12 Boys State Championship Tournament at Sukeforth Field in July 2015. This is the largest Little League Tournament held in the state.

Charles “Chuck” Begley Field was active again this year with Waldoboro Babe Ruth (13-15) baseball games. Lincoln Academy played their Varsity and JV games at Begley Field again this year as construction continues at their facility. Another win-win scenario for all involved as the Lincoln Academy staff prepared the field for use in the spring and assisted with field maintenance throughout the season.

Our five-week Summer Recreation program for kids was successful once again. We averaged 30+ kids per day while providing organized activities including indoor and outdoor group games, arts & crafts, swimming, hiking and bowling. Five-part time employees were hired (at no cost to the taxpayer) to run the program.

The Basketball program for Kindergarten through 2nd grade held in January swelled to over 50 children.

The Discount Ticket program was popular again this year. We have had a steady stream of people stopping by to purchase Funtown/Splashtown and Water Country Passes. The department sold nearly 500 tickets this year.

Provided transportation for a group of Senior’s to the to the 14th Annual Lincoln County TRIAD Senior Appreciation Day held at the Boothbay Region Elementary School on Saturday, October 18th. There were many exhibitors with information about new programs and services for seniors.

Our 10th season of Coed Softball kicked off in August and the program is as strong as ever. 12 teams played over 75 games this season.

The youth soccer program continued to excel. Both the boys and girls 5th/6th grade team won the league championship this year. This was the first championship for the girls program.

We held a 6-week tumbling class in October for cheerleaders in grades 4-12 and a sideline program for K-6 during the winter.

Held the annual Pitch, Hit & Run™ competition, the official skills competition of Major League Baseball® on May 16, 2015 at Begley Field. Boys and Girls participate and compete separately in four age divisions: 7/8, 9/10, 11/12 and 13/14. Participants have the chance to advance through four levels of competition, including the Team Championships at Fenway Park and the National Finals at the MLB™ All-Star Game®. Gabe Lash of Waldoboro was crowned an All-Around Champion in his division at the sectional competition on May 24th at Hadlock field.

The Recreation Department operates with an enterprise account that allows flexibility in the management of certain departmental funds that are obtained through user or program fees. Funds obtained under these circumstances are used to pay for programming and supplies above and beyond what is contained in the budget account. Funds expended in this account were not raised through taxes. In FY 2015, the department raised \$25,700 and expended \$23,969 from the Enterprise account.

Despite the setback regarding the YMCA project, I am confident that we will rise again. There are numerous dedicated volunteers that serve our community and without them, it would be impossible to deliver the Recreation Program. I still believe there are many great things in store for Waldoboro and I look forward to bettering our community.

Respectfully submitted,

Kyle Santheson, Recreation Director  
Town of Waldoboro

# FIRE DEPARTMENT

It is my pleasure to report to you the activity of your fire department. During the period of July 1, 2014 through June 30, 2015, our department responded 248 emergency calls.

This year our department membership has twenty-eight firefighters on our roster. There are thirteen firefighters certified at the national standard of Firefighter II. With the exception of one, all members of the department are certified to the state mandated Basic Fire Firefighter level, which makes them qualified for interior firefighting. We currently have two students enrolled in our Junior Firefighter Program. All members of the department have worked hard this year participating in our regular training program. We train monthly on the first and second Wednesdays. If the calendar provides a fifth Wednesday in a month, I offer a drill, to practice firefighting skills that we do not have scheduled time to practice. I continue to be

amazed by the dedication of this organization to participate and go above and beyond what is expected of them. This year we have held joint trainings with Fire Departments from the towns of Jefferson, Pittston, Nobleboro, Warren, Bristol, Union and Friendship.

In the FY17 proposed operating budget, I have requested funding for hose testing. Historically, the firefighters have personally performed this required annual test. Over the past several years, it has become increasingly difficult to complete this test in a timely manner on a voluntary basis. If approved, this test will now be performed by a hose testing service, who will complete the test in one day to NFPA standards, and provide me with all of the necessary paperwork to satisfy the state's requirements.

Over the past several years I have been discussing the

Knox Box Program, with our town managers, Code Enforcement and Chairmen of the Planning Board. Knox Boxes are a simple safe/vault type box, located outside of a business. Inside the Knox Box, is a key to gain access to the participating property. When the fire department responds to that business for an alarm or an actual emergency, we will now be able to gain immediate access without delay or without causing additional or unnecessary damage to the entrance. We currently have two Knox Boxes in use in our town. I am requesting funding for a piece of equipment to be installed in our primary response engine that will allow us to move forward with the implementation of this program.

# FIRE DEPARTMENT CONT.

In the FY17 Capital Budget, the amount of \$13,000 is requested towards the replacement of our 1981 American LeFrance Aerial. The expected life of this apparatus was 30 years. It has served the town and department well. It is my goal to utilize this truck as long as we can safely. I anticipate requesting a significant increase on this line item next year (FY18). Last year I formed a Capital Reserve Committee, consisting of Firefighters, Selectmen, Budget Committee Members and Citizens. We will be meeting again during this fiscal year to finish developing a capital reserve plan to be presented to the Town Manager. This plan will include the possible replacement of the aerial apparatus.

During this year's fire prevention week, the department visited the schools, daycares and pre-schools in our community and continued our effort in educating the children of Waldoboro in fire safety. We concluded the week by hosting our annual open house where local families came to the station and participated in the evening activities.

On behalf of the fire department membership, I wish to express our appreciation to those who support our efforts throughout the year, especially our families and the members of the Waldoboro Fire Department Auxiliary. During the budget approval process, the Board of Selectmen and the Budget Committee voted for an increase in the stipends and the hourly wage the firefighters receive. This action, the kind words expressed and the recognition of our efforts were truly appreciated by all of us. Thank you, very much.

It is an honor to lead this dedicated group of men and women. I look forward to facing the challenges that lie ahead as we continue to grow and build this department, to better serve our families and neighbors.

Respectfully Submitted,  
Paul T. Smeltzer, Fire Chief

## EMERGENCY MEDICAL SERVICES

To the Citizens of Waldoboro:

It is a pleasure to render this report for your Emergency Medical Service. Waldoboro continues to be a respected emergency medical service within the State of Maine. We continue to be a training site for several colleges teaching EMT's and Paramedics. Atlantic Partners, Kennebec Valley Community College, and Southern Maine Technical College use us as a training partner for their students to get practical experience in the field.

Your Director and Deputy Director continue to serve on regional and State level boards helping to improve and govern emergency medical services throughout the region and State.

Waldoboro is fortunate to have a very experienced and well-trained group of EMS providers serving the community. Not only do we cover Waldoboro, but we also cover our neighbors in Friendship and part of Jefferson. Covering these other towns increases the revenues for Waldoboro and allows folks from all three towns to have excellent EMS coverage. At this time there are 34 providers at all license levels. 14 of your 34 providers are at the Paramedic level. Another nine are at the Advanced EMT level with three of them in Paramedic training at one of the above colleges, and 11 at the Basic EMT level. All levels of providers receive regular trainings to maintain and enhance their knowledge and skills.

# EMERGENCY MEDICAL SERVICES CONT.

Your cost as taxpayers for a full-time ambulance service with professional medical providers is somewhat different than the other departments within the town, for we bring in large amounts of revenue to offset our operating expenses. If you vote favorably for Emergency Medical Service this year it would be broken down as follows:

Operating Expenses	\$646,377
Debt Service	\$ 30,192
Capital	\$ 92,000
Total Costs	\$768,569
Minus Revenues	\$543,801
Net Total	\$224,768

Now, please note that \$12,000 of the capital comes from the Town of Friendship which actually makes Waldoboro's share \$80,000. Also, the capital account was not funded appropriately for a number of years. That is why we have debt service which will be eliminated after FY18. Capital is up a little so we can get back on track with timely ambulance and medical diagnostic equipment purchases, but Capital too will level off in the future. Our rule of thumb is to keep an ambulance for 10 years with around 225,000 miles on them when they are replaced. But, also bear in mind that even though the mileage is at 225,000 the idling time on ambulances is significant, so the engines have a large amount of hours on them not reflected by the amount of mileage. So, to put this in perspective, if you have a property value at \$150,000 your EMS portion of your tax bill would be \$68.25.

Your service continues to provide support to the schools, Waldoboro Day, Friendship Day, Road Races, the Snowmobile drags, Medomak Valley Football and the MVHS Car Show as well as other public activities throughout the year. It was an honor to participate with Wreaths Across America honoring our Veterans as Medomak Valley High School was one of their stopping points this year. We are also continuing with the Community Paramedicine Program. This program has been very well received by the residents who have received these services from us. The program is continuing to gain positive momentum in the community. New additions to the service are a Low Angle Rope Rescue and Ice Water Rescue component. We have been training the last year and a half and have acquired the equipment needed through grants under the guidance of EMA Director Kyle Santheson.

As always, it is a pleasure to serve our community by providing you with excellent emergency medical care. Please note that we continue to offer CPR training, AED training as well as First Aid training. Waldoboro is a designated 'Heart Safe' community and part of maintaining that designation is the CPR/AED training we offer. Please call the office if you need any of these training services.

Respectfully Submitted,

Richard Lash, Director  
Emergency Medical Service

# PLANNING & DEVELOPMENT

## PLANNING AND DEVELOPMENT, 2015 ANNUAL REPORT

The Planning and Development Department is responsible for a wide variety of municipal activities, including the provision of staff support to the Planning Board, Economic Development Committee (EDC), Communications and Technology Committee, and the Comprehensive Planning Committee. In addition, the Department of Planning and Development works to develop and implement both short and long term economic and community developments, works closely with local business owners, and serves as the first point of contact for firms seeking to locate or expand in Waldoboro.

### PLANNING BOARD

With the resignation of three planning board members, the board was lacking in numbers for much of the year. By the end of 2015 the board welcomed two new members. At the request of the Board of Selectman, the Planning Board took on the task of revising Waldoboro's sign ordinance.

### ECONOMIC DEVELOPMENT COMMITTEE

After nearly a year of inactivity, the Town reestablished the EDC. The EDC focused primarily on work to bring high speed broadband to Waldoboro residents and businesses. Eventually, a subcommittee was formed to carry out tasks that would position the Town to seek funding through ConnectME.

### BROADBAND SUBCOMMITTEE

In collaboration with Waldoboro's EDC and Broadband Sub-committee, Waldoboro's Planning and Development Department developed and administered an extensive survey of Waldoboro residents and businesses to assess existing wireless infrastructure. With close to a 10% response rate, the survey was a success and enabled the town to identify unserved and underserved areas, positioning Waldoboro to seek ConnectME funding in 2016 to expand access.

In addition to the broadband survey, the EDC worked with the Town to hold a series of presentations by broadband providers. Presentations were well attended and served to inform residents and municipal representatives on the goals and services of existing and potential broadband providers.

### HANNAFORD

In early spring of 2015 the Town of Waldoboro began working with local Hannaford representatives as the business developed plans for expansion of the Waldoboro Hannaford. As one of the state's smallest Hannaford Supermarkets, news of an expansion was met with considerable support and enthusiasm from the community. Through a series of meetings with the Planning Board, the Director of Planning and Development, and the Town Manager, plans for the expansion were approved. Hannaford intends to break ground in Spring of 2016.

### COMPREHENSIVE PLAN

In the spring of 2015 the Department of Planning and Development took steps to begin the exciting process of updating its long outdated 1998 Comprehensive Plan. The Town hired the planning firm Planning Decisions to facilitate the process and established a committee made up of municipal and community representatives that began meeting in the Fall. The Town looks forward to continuing work with the committee and Planning Decisions in 2016.

### BUILDING ACTIVITY

The table shows shows the building and plumbing permit activity for fiscal years 2013, 2014, and 2015.

# TOWN CLERK

- The Town Clerk's office is responsible for accurately maintaining all town records, conducting elections with professionalism in accordance with State Law, issuing state and town licenses, and providing information to both town officials and the general public in a friendly, professional and confidential manner.
- The Clerk's office is responsible for the maintenance of factual public records. It records all the Town Meeting decisions, the actions of the Board of Selectmen, Planning Board, Zoning Board of Appeals and committee meetings.
- The Town Clerk is the keeper of the Town Seal. The Clerk's signature and seal is required on all official documents of the town in order to be recognized as a true and attested copy. The Clerk's office administers the oath of office to all elected and appointed persons.
- Maine Law requires dogs over 6 months of age to be licensed. Dog licenses expire on December 31st each year. Per State Law, a \$25 late fee will be imposed upon all dog licenses renewed after January 31st. Current Certificate of Rabies Vaccination and the first time licensing your pet please bring proof of neutering if the dog has been neutered or spayed.

## REGISTRAR OF VOTERS

### Referendum Town Meeting

- Voting on all Town matters will be done at the Municipal Building on June 14, 2016, from 8 A.M. to 8 P.M.
- Any registered voter may request an absentee ballot in person, by mail, or by phone on or before 4:30 pm Thursday, June 9, 2016.
- A resident can register to vote during regular office hours or by mail with the proper identification and proof of residency.
- For more information about the Election and Town Meeting please call the Town Clerk's office at 832-5369.

### Voter Enrollment:

Democrats ..... 994  
 Green Independent ..... 150  
 Republican ..... 1,195  
 Un-enrolled ..... 1,340  
**TOTAL..... 3,679**

### Elections:

**November 4, 2014** – State of Maine Referendum and Special Referendum Town Meeting – 2204 total votes cast.

**June 9, 2015** – Town of Waldoboro Annual Referendum Town Meeting. 751 total votes cast

Respectfully Submitted,

Eileen F. Dondlinger, Registrar of Voters  
 Allene "Rose" Roy, Deputy Registrar

# GENERAL ASSISTANCE

This year 104 families applied for general assistance, representing 273 people and 148 interviews. A breakdown of assistance provided can be found below.

65 families, representing 188 people received a total of \$3,023 from the Salvation Army and 82 families, representing 225 people received help through the Community Energy Fund. Most food requests have been filled by the Waldoboro Food Pantry. 15 families representing 43 people received a total of \$680 from the Waldoboro Emergency Oil Fund. 5 families representing 12 people received a total of \$6,450 from the Philbrook Fund and \$3,200 was given to the Waldoboro Food Pantry. Thanks to all those who donate to the Waldoboro Food Pantry, Salvation Army, Waldoboro Emergency Oil Fund, and Community Energy Fund!

The goal of the General Assistance Program continues to be to foster financial self-sufficiency and end long-term dependence on the public assistance while protecting children and vulnerable adults. If you need help, you must complete an application and allow verification of your need at the town office. Please avoid a crisis situation by seeking help before the oil tank is empty, the power has been shut off, or the landlord has evicted you.

Assistance Provided Through General Assistance		
Type	FY 2014	FY 2015
Transportation	\$122	\$0
Utilities	1,762	1,118
Funerals	785	1,570
Hannaford	1,675	1,780
Mortgage Companies	0	647
Heating Fuel	8,787	3,837
Rent	9,696	11,815
Household	230	115
Medical	0	283
TOTALS:	\$22,457	\$21,165

is sent to your fuel company. If you or someone you know might qualify, please dial 2-1-1 from any touch tone phone to find out where to make an appointment to complete an application. Apply early to get funds before the winter is over. Heating season 2015-2016 is set at 150% of Federal poverty levels for anyone or 170% of Federal poverty levels for those households at risk of hypothermia. Those at risk for hypothermia are:

1. Children under the age of two,
2. Seniors over 60, and
3. Anyone with a disability that puts them at risk.

If a person is over-income, but close to the guidelines, they should apply anyway. Deductions are made for medical bills and health/dental insurance paid during the period.

LIHEAP Maximum Household Income to Qualify						
Household Size	1	2	3	4	5	6
Monthly Income Limit 150%	1,459	1,966	2,474	2,981	3,489	3,996
Monthly Income Limit 170%	1,653	2,228	2,804	3,379	3,954	4,529

Respectfully Submitted,

Darryl L. McKenney  
General Assistance Administrator

Another resource for help is through the **Low Income Home Energy Assistance Program (LIHEAP)**. LIHEAP helps pay for your heating fuel, including electric, oil, propane, kerosene, and wood. If you qualify, a benefit

# POLICE DEPARTMENT

Currently the Waldoboro Police Department is made up of seven (7) fulltime police officers including the Chief. We have one (1) fulltime patrol sergeant, four (4) fulltime patrol officers, one (1) School Resource Officer (SRO), three (3) part-time officers and one (1) part-time public safety secretary. We operate and maintain three (3) marked police cruisers and one (1) unmarked police cruiser. The Waldoboro Police Department provides our citizens with 24 hours a day police services, 7 days a week, 365 days per year. In addition to providing police services, the Waldoboro Police Department is also responsible for Shellfish Enforcement and Animal Control services (currently contracted through the Lincoln County Sheriff's Department).

The Waldoboro Police Department will continue to provide a School Resource Officer at the High School and Middle School. Over the years this program has proven to be an effective and viable resource to the students, as well as faculty, staff and administration. Over the years, I taught the D.A.R.E. program at the Miller School to our 5th grade students. I take a lot of pride in teaching our young students about the harmful effects of drugs, staying safe and making healthy choices in life. In January, Officer Hesselstine completed the rigorous 2 weeks training course required of all new D.A.R.E. instructors. This year, after 22 years as a D.A.R.E. instructor, I am stepping down and Officer Larry Hesselstine will be continuing on with the program. I am confident, he will be a perfect fit for our kids at the Miller School.

Aside from citizen complaint(s) and routine patrol activities, our patrol staff also responds to EMS and Fire calls. In most cases, the officer's arrival on scene could simply mark the driveway with his cruiser for the other first responders. In other cases, he/she could render assistance to family members, Fire Fighters and/or EMS personnel and other first responders when needed.

Over the years, the Waldoboro Police Department typically responded to about 5500 to 6000 total calls for service, including Shellfish. This year Police Department responded to 5744 calls for service and Shellfish responded to 274 calls for service. Cumulatively, the

Waldoboro Police Department responded to a total of 6018 calls for service throughout our community.

Finally, this year our family suffered tremendous losses over a very short period of time. First, my wife Karen's mom passed away after suffering a stroke and then a week later our daughter lost her battle with brain cancer. Throughout this extremely difficult and trying time, we received a great deal of comfort from not only family and friends, but from many of the citizens of Waldoboro as well. The outreach and support that we received from this community made me thankful that I work for the citizens of Waldoboro. So once again, I want to thank everyone for the kindness and support you've all shown our family through this time.

# EMERGENCY MANAGEMENT AGENCY

The National Incident Management System (NIMS) was developed in 2003 to enable emergency responders at all levels to work together effectively and efficiently to manage domestic incidents no matter the cause, size or complexity. In 2007, Waldoboro voters enacted the "Emergency Management Ordinance of the Town of Waldoboro" to formally establish the Waldoboro Office of Emergency Management, create the position of Emergency Management Director and adopt NIMS as the municipal standard for incident management.

The duties of the Waldoboro Emergency Management Director include but are not limited to: Developing emergency plans and procedures; coordinating emergency response between departments; coordinating disaster relief with outside agencies; establishing the Emergency Operations Center; Supervising the town's communications system; Completing Hazard Risk and Vulnerability Assessments; Disseminating disaster preparedness information; Submitting applications for FEMA disaster funds and grants; Resource Management; Coordinating with local schools regarding emergency procedures; Damage assessment reporting; attending training courses, meetings and seminars at local, state and regional levels; Conducting training and exercises maintain the local government's emergency response capability.

A multi-agency table top exercise was conducted on July 10, 2014 at the Town Office to discuss response plans for a train derailment with multiple casualties in the vicinity of Route 1. The exercise focused on three main objectives: on site incident management, triage/pre-hospital treatment of mass casualties and scene security. There were over 30 responders from Waldoboro Fire, Police and EMS as well as our mutual aid partners from Friendship, Warren and Lincoln County in attendance.

An early winter storm on November 2, 2014, that dumped 12" of wet snow, caused significant damage to the power grid in Waldoboro. Most, if not all customers in Waldoboro lost power, phone and/or cable anywhere from 24 to 72+ hours. The Town's Emergency Operations Center was established to monitor the situation and process the numerous reports of motor

vehicle accidents and trees/wires down calls. Emergency personnel responded to over 115 calls for assistance during the storm. A "warming shelter" was set up at the Fire Station for two days.

Working in conjunction with the Fire, Police and EMS Chief's, an Ice/Water Rescue Program was established here in town. Equipment was purchased including a rescue sled and personnel protective equipment with funding obtained in the Emergency Management Performance Grant. Once all the equipment was received, several training sessions were conducted. Thankfully, this specialized rescue gear has not been pressed into service, but we are ready nonetheless.

# EMERGENCY MANAGEMENT CONT.

The following chart outlines grants received and federally declared disasters reimbursements through the Federal Emergency Management Agency since the local EMA program was established.

## If you dial 911, can we find you quickly?!

Unmarked or poorly marked address can lead to a delay in response by Fire, Police and Emergency Medical personnel. Precious seconds are sometimes lost when rescuers have to search for a house number.

Keep in mind that rescue workers are not nearly as familiar with your residence as you are. So, please take the time to consider the following:

- Are the numbers on your house clearly visible from the road? Are they set on a background of contrasting color, at least 3" high and reflective at night??
- If your house numbers are obstructed from the road, your numbers should be attached to a sign at the end of your driveway and easily read from both directions.
- Mobile homes and apartments should also be identified with a number
- If you live on a corner, does your house number face the street named in your address?
- Mailbox numbers can be confusing, especially if all on one side of the road and multiple houses are in close proximity. Put an address sign near your driveway.

A few minutes now, can make all the difference in the world when facing a life threatening emergency. Take the time to ensure your house is numbered in a manner that is easy to locate.

Have you seen those nifty blue address signs popping up around town, like the one pictured?

They are available from the Waldoboro Fire Department. Call the town office at 832-5369 or visit [www.waldoboro-maine.org](http://www.waldoboro-maine.org) and click on Fire Department to order.

# WALDOBORO UTILITY DISTRICT

In the late 1800s sewers were constructed for much of the village with pipes discharging directly to the river. In the 1960s the system was expanded and a small wastewater treatment facility installed. In 2001 the lagoons were built with land application ending the river discharge.

The Elm Street Pump Station was built in 1967 and most of the wastewater from Jefferson Street, Route One, Depot Street, Mill Street and Route 32 is collected here and pumped to the treatment facility. Although the pumps have been replaced a couple of times and a standby generator added, the station was showing its age. Beginning with planning in 2014 and continuing with a major upgrade in 2015 the station has been completely rebuilt. Replaced were the pumps, the yard piping and valves, the top of the wet well (it was raised two feet to bring it above any flood level) and the pump controls. Improved was the building (new insulation, wiring and painting) and the yard (new driveway and lawn). It was put into service in June and tested in the storm of September 29/30 when about 6 inches of rain fell in a few hours and the wastewater flow increased over five times the average. This would have been a problem for the old station but with the upgrade there were no issues.

Much of the wastewater collection system is also close to 50 years old. The District has an ongoing program to clean and monitor the sewer lines but a new prob-

lem surfaced in that the brickwork at the top of the manholes is failing. If the bricks drop into the sewer lines it could plug the line and cause a backup. There are 88 manholes built in the 1960s and most of them should have the tops rebuilt with plastic rings to replace the bricks. The five manholes on Marble Avenue were rebuilt this year as the first step in this program.

The District's primary goal is to prevent wastewater from causing the closure of the valuable shellfish resource. To ensure this the District is stepping up its program of clean/repair/replace in the collection system.

The total volume of wastewater treated in 2015 was 35.5 million gallons. The increasing use of appliances that use less water and the general trend of people to reduce water use whenever possible has lowered the volume of wastewater treated from last year.

The District office is located at 850 Union Road (Route 235) and is open Wednesday and Thursday from 8:30 AM to 5:00 PM. The phone number is 832-0422. If you wish you may pay your sewer bill in person when the office is open or you may also drop payments in the mail slot to the left of the entrance to the office anytime.

The District Trustees meet on the third Thursday of each month at 4:00 PM at the District office at 850 Union Road. The public is always welcome to attend.

# **Town of Waldoboro Utility District**

## **Financial Report**

**With Independent Auditors**

**For the year ending:  
December 31, 2014**

**KEEL J. HOOD**  
Certified Public Accountant  
PO Box 302 Fairfield, Maine 04937 - (207)453-2006

**INDEPENDENT AUDITORS REPORT**

Board of Directors  
Waldoboro Utility District  
Waldoboro, Maine

I have audited the accompanying financial statements of Waldoboro Utility District, as of and for the year ended December 31, 2015, and the related notes to the financial statements, which collectively comprise the basic financial statements as listed in the table of contents.

**Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

**Auditor's Responsibility**

My responsibility is to express an opinion on these financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**Opinion**

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Waldoboro Utility District as of December 31, 2015 and the changes

in its financial position, and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

**Other Matters**

**Required Supplementary Information**

Management's Discussion & Analysis is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. I have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, I did not audit the information and express no opinion on it.

# WALDOBORO TOY PROGRAM

To The People of Waldoboro:

The Holidays have come and gone and the people of Waldoboro have been amazing once again! As always, I feel very privileged to be part of such a wonderful and generous event. This year's Waldoboro Toy Program went very well, with a lot of help from a lot of you.

The Waldoboro Toy Program was started in 1982, with the goal to provide toys, hats, mittens and warm winter boots. Most of the toys were used and we wrapped them. Through trial and error, and a wonderful support from our community it grew and we are now able to provide boot vouchers for boots to the children who need boots. In 2008 we provided 264 children with toys, as you can see in the next paragraph, the number has gone way down and I'd like to believe it is because the economy is improving.

We provided toys, hats and mittens to 95 children (or 43 families) this year. We started the year with \$2699.51 (as of November 30, 2015) in the Waldoboro Toy Program account and we spent \$388.75 on toys. We raised \$2500.00. We earned \$4.16 in interest for 2015. We will be issuing boot vouchers for children who need warm winter boots.

This year we had money donated in the name of Gordon & Dorothy Scott. We also had an envelope dropped off with the note "In memory of all my friends". Thank you to all the people who thought of the Waldoboro Toy Program in the name of their loved ones.

I would like to thank the citizens of Waldoboro who helped make this year's Waldoboro Toy Program come together successfully. I especially want to thank the many children who donated toys so that other children could have a better Christmas. My hat's off to you all. I would like to thank the following people and businesses for their donations: The United Methodist Church and the Methodist Women's Group, The Masons King Solomon's Lodge, Meenagha Grange 555, Medomak Valley Senior Citizens, Charles C. Lilly Post 149 – American Legion, John & Susan Morris, Doris and Wallace Prock, Eleanor Smith, The Coastal Christian

School Students, The Medomak Middle School Students, Hilma Foster, Marcia & Maynard Prock, James Pyne, Margaret Smith, Lillian & Ronald Dolloff, Bob Rengle, Bart Seavey, Shirley Woodcock, Mary Logue, The Maine Antique Digest Employees, The Waldoboro Women's Club, John & Pam Blamey, George & Jane Enman, Robert & Donna McNally, Naomi Mcphee, Sharon Raymond, Linda Colbath, Patricia Lambert, Gertrude Petrovitz, The First Advisors, Eleanor Durgan, Joyce Dupuis, Michaela, Kristin and Andy, and The Waldoboro Sno-Crawlers. I did receive a couple of envelopes with cash and no name on the envelope – please know that I appreciate your donations. Lastly I would like to thank Pam Rengle and Joyce Beaudoin for all their valuable help and moral support. If I missed anyone in the shuffle I apologize and assure you that all the help was needed and greatly appreciated.

As always, I was greatly impressed with Waldoboro's generosity, caring and giving. Without your support this program would not be possible. Thank you.

I hope the coming year brings prosperity, happiness and health to you all.

Sincerely,

Melody Tracy,  
Waldoboro Toy Program

# WALDOBORO PUBLIC LIBRARY

In 2015, the Library was in its 100th year of operation. Much has changed in the past century, including a 10-fold growth in the number of items available for borrowing. Some items available now were unheard of when the Library first opened its doors: DVDs, audiobooks, Young Adult books (no such category then), and board books. Mrs. Lucy Bliss, the first librarian, did not even imagine the computers, wi-fi, photocopier, scanner, or fax machine, that are available for public use today. Also available to library patrons is access to about 9,400 ebooks and 5,300 audiobooks to download for a borrowing period for free.

In 2015, we continued to offer the regular programs that have been enjoyed by many over the years: weekly story hour, special story hours for Head Start and the Creative Christian Nursery School, monthly Mid-coast Music Together sessions, the summer reading program, Bikes for Books, the Friends' Speaker Series, AARP tax assistance, and the annual Lawyers in Libraries. Senator Chris Johnson also held open office hours once a month in the library. On Halloween, 412 visitors crossed our threshold, and in December, Santa chatted with one child per every five minutes during his Saturday here. We supported a women's group collecting household items and clothing for homeless veterans by being a collection site.

In addition to the seven authors that spoke here courtesy of the Friends' Speakers Series, there were two additional authors, one of which was Waldoboro resident John Osier; a hands-on workshop in conjunction with the Waldoboro Garden Club; a talk about a bike-and-barge trip and the bike culture in the Netherlands; advice to high school students on college admissions; an interactive music program with a master African drummer; and a homeowners' energy clinic. There was also a program with a month-long display to raise awareness of ALS. A new adult reading program for the Maine Readers' Choice Award had many participants.

The Library collaborates with other organizations as much as possible. Collaborations in 2015 included working with Y Without Walls, joining forces with the Fire Department and other nonprofits for the annual Pig Roast and Paint-the-Town events, creating Story

Walks to set up at the weekly Waldoboro Farmers' Market, being a member of the Waldoboro Business Association, collecting items for the food pantry as part of the summer reading program, and co-hosting an author event with the Waldoborough Historical Society. King Solomon's Lodge of Masons donated six bikes for the third annual Bikes For Books reading incentive program. The Lions' Club gave a gift of \$500 to purchase large print and audiobooks for the vision-impaired.

The Friends of the Library raise funds and provide much-appreciated support. Their support made possible a year's worth of Music Together sessions, the summer reading program, a year's subscription of international films, board games for all ages, three outdoor benches, a Maine State Parks Pass for borrowing, and a barcode scanner. Another group, Plein Air Artists, donated a year's worth of passes to the Farnsworth Museum for patrons to use.

When the Library's doors first opened 100 years ago, its sole offering was books. Now, with the help of the community and in keeping up with the demands of the day, it offers so much more.

Respectfully submitted,  
Cathrina Skov, Director

*The Story Hour gang says good-bye to long-time reader, "Miss Connie" Hammermeister.*

# LINCOLN COUNTY TELEVISION (LCTV)

Lincoln County Television (LCTV), established in 1991, is a non-profit organization that teaches video production, provides production equipment, and manages and distributes videos made and/or requested by individuals and organizations from supporting towns in Lincoln County, which currently include Alna, Bristol, Damariscotta, Edgecomb, Newcastle, Nobleboro and Waldoboro. LCTV programming can be seen on Time Warner Cable Channel 7, Tidewater IPTV Channel 7, and on the internet at [www.lctv.org](http://www.lctv.org).

## New Producers and Shows in 2015 (not inclusive):

*Steve Raymond*, the Director of Home Care & Community Outreach for the Lincoln Home in Newcastle, Spotlight for Seniors. Covering issues from Right to Die legislation to Elder Law to Yoga, Steve and his crew, including *Dan Bailey* as Technical Director, produced 11 shows in the LCTV studio.

*James Blier* of Waldoboro: Heaven's Blend Concert, An Overview of the John Birch Society, Vote No on Question 1 – Welfare for Politicians, and Support Your Local Police and Keep Them Local. Jim also volunteers to tape Waldoboro government meetings and has helped crew Spotlight on Seniors.

*Tam Green* of Wiscasset: Young Composers Inspired by Nature (DRA & Salt Bay Chamberfest). Tam also manned a camera for several Annual Town Meetings, the Pumpkinfest Parade and the Pumpkinfest Regatta.

*Chris Kenoyer* of Alna: producer of the CLC YMCA Annual Meeting, Downtown and Locally Owned Businesses Forum, and Maine's Economy and Climate Change. Chris also created and produced a promo for Hidden Valley Nature Center.

*Students from Lincoln Academy's* Digital Media Production class: several creative student film shorts, highlights of the Senior Trip to Costa Rica, the Baccalaureate, music from the Lincolnaires, a Tour of the LA Campus, and the Lincoln Academy Graduation.

## Ongoing Local Programming:

Wuzzup News (*Jack Peters* of Damariscotta); Lincoln Academy Basketball; Mexico!, Bristol Consolidated School's Annual Diversity Show; Great Salt Bay's Winter Solstice Concert; Lincoln County Historical Society Lectures (*Jack Swanton* of Westport Island); Saint Patrick's Catholic Church Mass; Faith Baptist Church (Newcastle); Edgecomb Community Church, UCC; Healthy Kid's Parenting Series; government meetings from Bristol, Damariscotta, Newcastle and Waldoboro; Twin Villages Memorial Day Parade (*Art Mayers* of Newcastle); Pumpkinfest Pumpkins (*Art Mayers*); Pumpkinfest Parade (LCTV); Pumpkinfest Regatta Live! (LCTV). LCTV also provides a TV Bulletin Board for local non-profits to advertise their services and events.

## New Developments:

LCTV has been steadily adding to our online archive of locally produced shows by converting and uploading videos produced prior to late 2010, including Lincoln Academy Basketball tournament and championship games; Art Mayer's Lincoln County Oral History shows; and Wuzzup Classics.

LCTV was fortunate to have two summer interns, *Sammy Zaidi* and *Kyle Livingston*. Sammy helped develop our new website (coming online in 2016) and Kyle helped repair and update our computer hardware.

After retiring for the second and last (we hope!) time, *Dave Svens* moved back to Bristol (Chamberlain). Dave has an extensive background in television production and gives generously of his time and talent to LCTV, local producers and the Town of Bristol. Dave produced a video of the Seacoast Community Orchestra concert held at the Lincoln Theater with the help of camera crew *Tam Green* and *Athena Taylor*.

LCTV purchased three High Definition cameras. At the current time, Time Warner Cable TV and Tidewater IPTV only send out our video in Standard Definition, but LCTV does upload the High Definition version to LCTV's Video on Demand webpage: [www.lctv.org/vod.html](http://www.lctv.org/vod.html).

LCTV would like to take this opportunity to thank the towns and business sponsors (*First Federal Savings*, *Hagar Enterprises*, and *Mid-Coast Energy Systems*) for their continued financial support.

“Video by the people, for the people” - please consider becoming a LCTV volunteer, producer or sponsor in 2016!

# MEDOMAK VALLEY LAND TRUST

Medomak Valley Land Trust  
PO Box 180  
25 Friendship Street  
Waldoboro, Maine 04572

Medomak Valley Land Trust has been providing conservation services to Waldoboro and other communities in the Medomak River watershed for 24 years. Founded in 1991, MVLT works to promote and preserve the natural, recreational and scenic character and the traditional land uses of the Medomak River watershed for the benefit of the Medomak Valley and Muscongus Bay community. The Medomak River and estuary extend for more than 40 miles, draining portions of 13 towns including Waldoboro. The watershed stretches from the Friendship and Pemaquid peninsulas to the headwaters in Washington and Appleton and encompasses more than 140 square miles.

To date, MVLT has worked with local landowners to protect more than 3,800 acres of farms, fields, woods, ponds, streams and islands. Because of this protection more wildlife habitat is maintained, water sources are kept cleaner, public access to waterways, paths and snowmobile trails continues and our natural environment remains at its scenic best. MVLT's preserves provide public access for hiking, hunting, fishing, swimming, skiing and snowmobiling.

This year MVLT opened a new trail system around Peters Pond in Waldoboro. The new trails were created by a hearty crew of volunteers. The 2 miles of new trails traverse fields, forest and marsh and offer beautiful views of Peters Pond, a 12 acre, undeveloped pond that features steep granite cliffs.

MVLT also continued to work in partnership with the town, local clammers, and state agencies as part of the Medomak River Water Quality Task Force. The group continued sampling in the freshwater portion of the river and the estuary to identify sources of bacterial pollution that contribute to clam flat closures. Additional sampling will take place in 2015.

The land trust was also recently awarded accreditation by the national Land Trust Accreditation Commission. The accreditation seal is a mark of distinction in land conservation. It recognizes organizations for meeting national standards for excellence, upholding the public trust and ensuring that conservation efforts are permanent. The land trust is so grateful for our hard working board, staff and volunteers and the members and community that support our efforts.

Throughout the year, the land trust hosts workshops, talks and treks throughout the watershed in order to connect people to the landscape and provide information on its important resources. Residents can support conservation in Waldoboro by becoming a member, volunteering or conserving their own land. For more information about events, volunteer opportunities, conservation options or MVLT's services to landowners, contact the land trust's Waldoboro office at 832-5570, by email [atmvlt@midcoast.com](mailto:atmvlt@midcoast.com), or visit us on the web at [www.medomakvalley.org](http://www.medomakvalley.org).

# NEW HOPE FOR WOMEN

800-522-3304

[www.newhopeforwomen.org](http://www.newhopeforwomen.org)

New Hope for Women provides a range of services designed to support victims of domestic violence, dating violence, and stalking, and to educate community members so that they will be in the best position to assist victims and prevent abuse. Services include office hours, a 24-hour hotline, support groups, court advocacy and legal services, transitional housing, short-term emergency shelter for victims, their children, and their pets, community education, and school-based education and advocacy.

These services are designed to offer all members of the community the tools they need to help end domestic violence, dating violence, and stalking. Victims can get the help they need to plan for their safety. Their friends and family can learn how to support them effectively. Employers can learn to recognize the signs of abuse and develop workplace policies to keep their employees safe. Schools can support children who are living with abuse at home. Children and teens can develop skills to build healthy, respectful relationships. Each of these groups has an important role to play; abuse is pervasive and insidious, and will not be eradicated without the involvement of the entire community.

With the help of a small family foundation grant, New Hope for Women has placed a part-time employee in Waldoboro. This advocate provides in-depth services at every level, with the goal of engaging the community in providing a consistent and helpful response to the needs of victims. Services provided include community outreach and education, individual advocacy, assistance with Section 8 Housing applications, Protection from Abuse Orders, and referrals to other community resources.

During FY2015 we provided 441 hours of service to 74 Waldoboro residents through our victim services, provided a total of 465 hours of community outreach to 22 organizations, and reached 130 students through 8 school presentations.

Respectfully submitted,

Kathleen Morgan,  
Executive Director

# NEW HOPE for WOMEN

Dear Friends:

It is an honor to represent Maine in the United States Senate. I am grateful for the trust the people of our State have placed in me and welcome this opportunity to share some key accomplishments from 2015.

Growing the economy by encouraging job creation was and remains my top priority. The tax-relief bill signed into law at the close of last year contains three key provisions I authored to help foster job creation and provide small businesses with the certainty they need to invest, grow, and, most important, hire new workers. Another provision I authored that became law last year gives a boost to both Maine's economy and traffic safety. This provision permanently changed the federal law that previously had forced the heaviest trucks onto our country roads and downtown streets, rather than allowing them to use Maine's federal Interstates. In addition, I was glad to help secure another significant award for the University of Maine's deepwater offshore wind initiative, which has the potential to advance an emerging industry and create thousands of good jobs in our state.

Maine's historic contributions to our nation's defense must continue. In 2015, I secured funding toward a much-needed additional Navy destroyer, likely to be built at Bath Iron Works. Modernization projects at the Portsmouth Naval Shipyard that I have long advocated for were also completed, as were projects for the Maine National Guard.

I was also deeply involved in crafting the new education reform law to better empower states and communities in setting educational policy for their students. The law also extends a program I co-authored that provides additional assistance to rural schools, which has greatly benefitted our state. A \$250 tax deduction I authored in 2002 for teachers who spend their own money on classroom supplies was also made permanent last year.

As a result of a scientific evaluation of the nutritional value of potatoes required by a law that I wrote, the wholesome fresh potato finally was included in the federal WIC nutrition program. I also worked on other issues important to Maine's farmers and growers, including research on wild blueberries and pollinating bees.

As Chairman of the Housing Appropriations Subcommittee, I have made combating veterans' homelessness a priority. This year's housing funding law includes \$60 million for 8,000 new supportive housing vouchers for homeless veterans. Since this program began in 2008, the number of homeless veterans nationwide has dropped by one third. Maine has received nearly 200 vouchers to support homeless veterans.

Last year, I became Chairman of the Senate Aging Committee. My top three priorities for the committee are retirement security, investing more in biomedical research, and fighting fraud and financial abuses targeting our nation's seniors. I advocated for the \$2 billion increase in funding for the National Institutes of Health to advance research on such diseases as diabetes and Alzheimer's. The Senate also unanimously passed my bill to support family caregivers. The Aging Committee's toll-free hotline (1-855-303-9470) makes it easier for senior citizens to report suspected fraud and receive assistance and has already received more than 1,000 calls.

A Maine value that always guides me is our unsurpassed work ethic. As 2015 ended, I cast my 6,072<sup>nd</sup> consecutive vote, continuing my record of never missing a roll-call vote since my Senate service began in 1997.

I appreciate the opportunity to serve Waldoboro and Maine in the United States Senate. If ever I can be of assistance to you, please contact my Constituent Service Center in Augusta at (207) 622-8414 or visit my website at [www.collins.senate.gov](http://www.collins.senate.gov). May 2016 be a good year for you, your family, your community, and our state.

Sincerely,

Susan M. Collins  
United States Senator

Dear Friends of Waldoboro:

It has been a privilege to serve the State of Maine since being sworn into the U.S. Senate.

Much of my time in Washington this past year has been devoted to the Senate Armed Services Committee and the Select Committee on Intelligence. Protecting our homeland and the people of Maine from terrorism and violence remains one of my top priorities. Through my work on the Armed Services Committee, I was able to secure several provisions in the 2016 National Defense Authorization Act that benefit Maine. The legislation authorizes the construction of an additional DDG-51 Arleigh Burke Class Destroyer that could be built at Bath Iron Works and expands the HUBZone program to stimulate economic growth at former military installations like the former Brunswick Naval Air Station.

Returning control to teachers, school districts, and states has also been a primary concern of mine. I am encouraged that the Every Student Succeeds Act has become law. It eliminates the burdensome requirements of the No Child Left Behind Act and ensures access to a quality education for all students. A provision I helped author in the bill will give states the opportunity to pilot the use of their own proficiency-based assessments in lieu of federally-mandated standardized tests. Also included in the bill are several measures I secured to promote local input, fund education technology initiatives, and explore new strategies to increase student access to the internet outside of school.

Communities across Maine have taken bold action to improve their broadband connectivity, and I have been proud to foster federal support for these types of projects. My amendments to the Every Student Succeeds Act will promote the type of work already occurring in Washington County, where students who lack broadband access are able to check out mobile hotspots from their local libraries. Additionally, a bill I co-sponsored, the Community Broadband Act, helped pave the way for the FCC to enact rules protecting the ability of municipalities to invest in better broadband. I am excited by Maine's leadership on this important economic development issue and will continue to support local efforts in this area.

After extensive negotiations, the Senate passed a five-year transportation bill that will increase highway and transit funding in Maine and provide stability to improve our transportation infrastructure. The legislation contains provisions I cosponsored to cut red tape and improve predictability and timeliness by streamlining the federal permitting process for large infrastructure projects. Also incorporated in this bill are my provisions to relieve financial regulations on Maine's community banks and credit unions and to reauthorize the Export-Import Bank, a critical tool that supports communities and small business across the state.

Following my inquiries in the Energy and Natural Resources Committee, the National Park Service has announced they will begin exploring strategies to allow park visitors to purchase electronic passes online and will pilot the program at Acadia National Park. These passes would improve access to our nation's most treasured landscapes and would generate resources for years to come. I remain deeply engaged in preserving Maine's natural beauty and strengthening our outdoor recreation economy.

It is with solemn responsibility that I have focused my energy addressing the opioid epidemic in Maine. This work includes convening roundtables with a wide-range of health care and law enforcement professionals to combat addiction; introducing a proposal to safely dispose of excess prescription drugs; cosponsoring a

SUBCOMMITTEES:

AGRICULTURE, RURAL DEVELOPMENT, AND  
RELATED AGENCIES

INTERIOR, ENVIRONMENT, AND RELATED  
AGENCIES

CHELLIE PINGREE  
CONGRESS OF THE UNITED STATES  
1<sup>ST</sup> DISTRICT, MAINE

Dear Friend,

I hope this letter finds you and your family well. I appreciate the opportunity to give you an update on my work in Maine and Washington. It continues to be a great honor to serve the people of Maine's 1<sup>st</sup> District in Congress.

Over the last year, I have introduced a number of bills to address the problems my constituents face. One of the most concerning issues is hunger. Nearly 50 million Americans don't have reliable access to enough food. At the same time, 40 percent of the food produced in the country goes to waste. That is why I introduced the Food Recovery Act, comprehensive legislation to cut food waste while providing more food to the people who need it.

The Safe and Affordable Drugs from Canada Act takes on another serious concern for Maine families—the high cost of prescription drugs. Just over the border in Canada, the same medications are available at half the price on average. My bill would lift a ban that prohibits consumers from importing those medications. Other bills I introduced touch on a number of issues, from helping veterans secure benefits to protecting our coastal economies. For more information on all my legislation, go to [www.pingree.house.gov](http://www.pingree.house.gov).

My seat on the House Appropriations Committee—which has a powerful role in setting federal funding levels—has also put me in a position to influence policies and programs that affect Mainers. A couple of examples from the last year include pushing to make Lyme disease a higher federal priority and working to protect funding for a program that has extended pre-school to hundreds of Maine children.

But not all my work takes place at the Capitol. Here at home, I had the chance to visit many communities to help celebrate their victories and discuss their concerns—critical feedback to take to Washington. And over the last year, my hard-working staff has helped hundreds of constituents on their issues with federal programs and agencies.

I hope the last year has been a good one for you and your family. As we head into another year of challenges and opportunities for our nation, I promise that your interests will continue to guide my work. Please contact my office if there's ever anything I can do for you.

Best wishes,

Chellie Pingree  
Member of Congress

STATE OF MAINE  
OFFICE OF THE GOVERNOR  
1 STATE HOUSE STATION  
AUGUSTA, MAINE  
04333-0001

Paul R. LePage  
GOVERNOR

Dear Citizens of Waldoboro:

Maine has a long tradition of civil participation in both state and local government, and I thank you for being informed and involved citizens.

My vision for Maine is prosperity, not poverty. For this reason, one of my top priorities is the reduction and eventual elimination of the income tax. Some are pushing to raise the minimum wage, but I want Mainers to earn a maximum wage. Reducing the income tax is the biggest and most immediate pay raise for all hard-working Mainers.

Not only does an income tax cut put more money back in your pockets, but it will also attract businesses that can offer good-paying careers to keep our young people here in Maine. It shows the nation that we are serious about wanting people and businesses to come—and stay—in Maine.

Another of my priorities is to lower the cost of student debt in Maine. If young people are struggling with too much student debt, they are unable to afford homes or vehicles. We are now offering programs to help them lower their debt, stay in Maine, begin their careers and start families.

To provide good-paying jobs for our young people, we must also work hard to reduce our energy costs. High energy costs are a major factor in driving out manufacturers, mills and other businesses that need low-cost electricity. I am committed to lowering the cost of energy, not only to attract job creators, but also to allow Maine people to heat and power their homes affordably and effectively.

And finally, we are making progress to address the drug pandemic in our state. It is my most important duty to keep the Maine people safe. While education, treatment and prevention efforts are important, we must get the dealers off the streets. I am pleased the Legislature has finally agreed to fund my proposal for more drug agents to stem the supply of deadly opiates flowing into our communities, but our law enforcement agencies are still understaffed. We must do more.

It is a pleasure serving as your Governor. If ever I can be of assistance to you or if you have any questions or suggestions, I encourage you to contact my office by calling 287-3531 or by visiting our website at [www.maine.gov/governor](http://www.maine.gov/governor).

Sincerely,

Paul R. LePage  
Governor

Augusta, ME 04333-0003  
(207) 287-1515  
[chris@dirigo.net](mailto:chris@dirigo.net)

Dear Residents of Waldoboro,

I hope 2016 finds you and your family doing well. It is an honor to represent you and this community as your State Senator. These are challenging times for so many people in Maine. Which is why I am pleased to have some good news and information to help you through some of the challenges.

This past year, the Legislature made significant progress in providing direct tax relief to Maine homeowners. We increased the Homestead Property Tax Credit for all Mainers, from \$10,000 to \$15,000 starting in April of 2016; and the exemption will increase again to \$20,000 in 2017. We also prevented Municipal Revenue Sharing cuts while increasing funding of K-12 schools by \$80 million. As key influences on municipal revenues, they are critical to avoiding property tax spikes.

Additionally, we implemented meaningful, fair changes to the state's income tax code, which will result in a \$135 million annual tax cut for 579,000 Maine families. This Legislature also eliminated the income tax on pensions for all military families.

I am proud of these accomplishments. I hope you are as well. Moving forward, I will continue to focus on making state government effective in meeting people's needs, with good oversight and accountability, providing property tax relief and tax reform that works for every day Mainers, not just the wealthy. And ensuring that your tax dollars are working to support growth of good paying jobs, fostering economic development, investing in education, lowering home energy costs, protecting our children and our natural resources, and building better infrastructure.

As the Legislature continues its work, please know that I appreciate hearing from you about your concerns, your hopes, and your ideas for how to make our communities and our state better. In addition to the monthly constituent office hours across the district to hear what you want to talk about, and occasional open public meetings, I encourage you to sign up for my legislative email updates to keep you informed about what is happening in the Legislature. This periodic email allows me to share information that is useful and informative to you and our district. Please email or call me to sign up.

I am here to listen to your legislative needs and concerns, and to serve as a liaison between you and state government. Feel free to contact me anytime. I appreciate your continued support and look forward to seeing you around the district.

Sincerely,

## **State Representative's Report to the Town of Waldoboro**

A message from State Representative Jeffrey Evangelos

Dear Friends and Neighbors,

It is an honor and pleasure to represent you in the 127<sup>th</sup> Maine Legislature. I wanted to take this opportunity to inform you about our efforts to improve your lives.

First, the budget we enacted over the objections of the Governor included many items that will help working families and retirees. The Legislature enacted a tax reform package that lowered income taxes, with 75% of the benefit targeting middle and lower income families. The homestead property tax credit was doubled to \$20,000, which will lower your property taxes beginning in 2016. We increased aid to public schools, which will help stabilize the property tax burden and make life easier for our school systems. We also protected the state revenue sharing program which helps our town and cities lower your property taxes. Also, beginning in 2016, we eliminated the state income tax on military pensions. Despite the Governor's vetoes, we enacted a fair and balanced budget that helps the vast majority of Mainers.

In the second session of the 127<sup>th</sup>, we recently enacted legislation to assist the Land for Maine's Future program to move forward. We also enacted legislation that provides a balanced approach to the opiate drug crisis, balancing the needs for treatment and enhanced law enforcement.

It has been my priority in Augusta to serve my communities and involve my constituents and students in the governmental affairs in Augusta. It was my pleasure to host Pastor Karen Lilli Pax of the Waldoboro United Methodist Church and the Reverend Andrew Stinson of the Second Congregational of Warren to deliver the daily prayer for the Maine House of Representatives.

## ORDINANCE ARTICLES

Article 32. Shall an ordinance entitled "An Ordinance Amending the Shellfish Conservation Ordinance" be enacted? A copy of the proposed ordinance is on file at the Office of Town Clerk for public inspection.

# WARRANT FOR TOWN MEETING

Article 33. Shall an ordinance entitled "An Ordinance Amending the Land Use Ordinance of the Town of Waldoboro, Maine" be enacted? A copy of the proposed ordinance is on file at the Office of Town Clerk for public inspection.

## OTHER WARRANT ARTICLES

Article 34. Shall the Town vote:

(i) to authorize the Town to continue as a member of the Municipal Review Committee, Inc. ("MRC"), organized as a Maine nonprofit corporation and acting as a regional association pursuant to Title 13-B and Title 38 of the Maine Revised Statutes, as amended (and specifically Section 1304-B(S-A) of Title 38) for the purposes of managing and facilitating solid waste disposal;

(ii) to adopt, ratify and confirm the Restated Articles of Incorporation and the Restated Bylaws of the MRC in substantially the form on file with the Town Clerk and posted as part of this Warrant;

(iii) to authorize the Town to execute and deliver a Municipal Joinder Agreement with the MRC in substantially the form on file with the Town Clerk and posted as part of this Warrant (the "Municipal Joinder Agreement") pursuant to which the Town will become a Joining Member of the MRC (as defined therein) and deliver its municipal solid waste for disposal to a waste management facility being developed by Fiberight, LLC and/or its affiliates (collectively, "Fiberight") in Hampden, Maine, or other waste disposal facility;

(iv) to authorize the MRC to take certain actions on behalf of the Town as set forth in the Municipal Joinder Agreement; and

(v) to authorize a majority of the Selectmen or their duly authorized designee or designees to execute and deliver the Municipal Joinder Agreement on behalf of the Town and to execute and deliver on behalf of the Town in conjunction therewith such other documents and to take such further actions as they may deem necessary or appropriate in order to effect the transactions contemplated by the Municipal Joinder Agreement.

Article 35. Shall the Town vote to fix the fifteenth day of November 2016 and the fifteenth day of May 2017 when all 2017 taxes shall be due and payable in (semi-annual installments) and to instruct the Tax Collector to charge interest at 7.00% per annum on all taxes unpaid after said date(s)?

Article 36. Shall the Town vote to pay interest at 3.00% per annum on any amount overpaid on property taxes as noted in M.R.S.A. Title 36, §506-A?

Article 37. Shall the Town vote to authorize the Tax Collector to offer a 2017 Tax Club Plan to taxpayers who enroll no later than July 31, 2016, who pay the total amount of 2017 taxes by monthly payments from July 2016 to June 30, 2017; who abide by the requirements of said plan; who shall receive from the Town, in return for such payments, full credit for such taxes paid without incurring any charge of interest?

Article 38. Shall the Town vote to authorize the Board of Selectmen, on behalf of the Town, to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as it may deem advisable, and to execute quit claim deeds for such property? Property which, in the

opinion of the Selectmen, best serves the interest of the Town by remaining Town-owned property need not be sold.

- Article 39. Shall the Town authorize the transfer of all unexpended balances to fund balance and to authorize the overdrafts that may occur in the Town operations in the 2016 budget to be taken from fund balance?
- Article 41. Shall the Town authorize the Board of Selectmen and Treasurer, on behalf of the Town, to accept gifts, real estate, and certain funds, including trust funds that may be given or left to the Town?
- Article 42. Shall the Town authorize the Treasurer to waive the foreclosure of tax lien mortgages pursuant to 36 M.R.S.A. §944 upon a finding by the Board of Selectmen that ownership of the property subject to the lien would be contrary to the Town's best interest?
- Article 43. Shall the Town authorize the Board of Selectmen to enter into boundary line agreements with abutting property owners to establish the boundary line of any property of the Town, including the boundary lines of the rights-of-ways?
- Article 44. Shall the Town authorize the Board of Selectmen to make final determinations regarding the closing or opening of roads to winter maintenance pursuant to 23 M.R.S.A., §2953?
- Article 44. Shall the Town authorize the Board of Selectmen to spend funds from various reserve funds as it deems necessary in accordance with a Capital Improvement Program?
- Article 45. Shall the Town authorize the Board of Selectmen to notify the Commissioner of the Department of Marine Resources that it wishes to exercise its rights to alewives in the Medomak River for the year 2017?

Given under our hands at said Waldoboro, Maine this 26th day of April A.D., 2016.

Witness to all:

s/ Linda-Jean Briggs
