REFLECTIVE ADDRESS SIGNS

What would happen if we could not find you or your family?

A few years ago, the Dexter Firefighters Association saw a need. Better address marking for businesses and residences. We often found ourselves responding to emergency calls and having difficulty locating the homes due to small or missing address signs.

At the Dexter Area Fire Department, we are committed to providing our customers with all the tools necessary to be a safe family. We researched the problem and the Dexter Firefighters Association started making and selling reflective address signs. Below is the form that you can fill out and drop off at the Dexter Area Fire Department station number one, which is located in the Village of Dexter at 8140 Main Street. Your sign will be ready for pickup within 72 hours. Mounting screws are provided with each sign.

Remember, you will need to have at least two signs, one on your home and one at the beginning of the driveway or roadway leading to your home.

HOW TO ORDER?
