

Personnel Policies

CITY OF WESLACO,
TEXAS

EXIT INTERVIEW

Originally Approved:	02/21/2006
Amended:	02/24/2009
	08/07/2018
Page:	1 of 1

As a general practice, if an employee resigns employment of the City, the employee will be requested to participate in an exit interview. Information obtained through this interview will assist in identifying areas where the City is doing things right and also provide input on areas where the City may want to consider improvements. The exit interview may also be used for such matters as the employee's return of keys, City property, receipt of final paycheck, etc.
