

Overview of Parks & Recreation Projects

The City of Weslaco continues to enhance its park facilities to foster wellness, recreation, and community engagement. Through targeted improvements, Weslaco is expanding access to quality outdoor spaces that serve residents of all ages and abilities while supporting athletic events, family activities, and civic pride.

The department is focusing on:

- Modernizing park amenities and infrastructure to support community recreation,
- Expanding accessibility and inclusivity through adaptive equipment and facility upgrades, and
- Positioning Weslaco parks as regional venues for tournaments and youth sports programming.

These projects reflect Weslaco’s long-term commitment to cultivating high-quality public spaces that promote active lifestyles and community togetherness.
