Old Business:

Rose updated the committee on the progress of the partnership for disability awareness stickers/communication with the West Deptford Police department. Rose showed the committee a sticker and the information card for residents to use in their vehicle or home. Rose has been coordinating with Chief McKenna to offer virtual disability awareness training for the police department online through the ARC. All training is online only due to COVID but we will recommend in person training once it is available. There will be a press release announcing the program, as well as announcement at an upcoming township committee meeting. We will also look to advertise in WD News and Notes e-mail. The committee budget set aside has adequately covered the cost for printing the initial supply of cards and notes. Additional funding can be discussed in November if more supply is needed.

The committee approved the meeting minutes from September 15, 2020. Jack Magee motioned to approve the minutes and Lori Wadding seconded the motion. All voted in favor.
