Old Business:

The committee was not able to approve the meeting minutes from March 16, 2021 as there was not a quorum of attendees present. The approval will be moved to the agenda for the May meeting.

We discussed developing a newsletter to highlight the vendors of the Disability Information Forum. Rose drafted a letter to vendors that will go out to invite them to participate in the newsletter. After sharing the letter/plan for the forum with Jim Robinson for any necessary approvals the following timeline was established—the request to vendors will be sent by May 17, 2021, the response from vendors will be by June 30 and the newsletter will go out in early September. Colleen has contacted the Council 9 Family Support Planning Council and they are interested in partnering with us a in the past on the virtual forum. If there is anything beyond the newsletter the vendors would like to share we will ask them to do it by hyperlink.

The members present agreed that the meeting format of holding the meeting at RiverWinds with a virtual call in worked well and will be used again for the May meeting.
