Discussion: Spending from last year - did it exceed our budget? We have a cancelled check in the amount of \$250 approved by Former Township Administrator for GCSSSD's Christmas Party at Auletto Caterers.

Old Business:

- Scholarship: alert school we would like to be included in choosing process.
- Information Forum: Email went out to previous vendors who participated alerting them to new date of this year's event. Must be sure to notify the schools in a timely fashion so they can distribute to students.
- Wheels for Momma T Event: Jack attended fundraiser, hand-delivered a \$500 donation from the committee, and took photos. Jack said the Thomas Family was very appreciative.

New Business:

- No spending until BUDGET is approved, possibly this Thursday evening at the Township Committee Meeting.
