PUBLIC NOTICE

TOWNSHIP OF WEST DEPTFORD

**KINGS HIGHWAY WATERLINE REPAIR PROJECT
NOTICE OF CHANGE ORDER IN EXCESS OF 20% OF CONTRACT AMOUNT**

Pursuant to West Deptford Township Resolution #2017- 270, the Township Committee approved and awarded a Contract to Neri's Construction and Rentals, Inc. for the Kings Highway Waterline Repair Project, nunc pro tunc, in the amount of \$69,270; and

During the course of executing the work in this contract, the Township Engineer found it to be necessary to further search and excavate in order to locate the existing water main pipe located along the toe of slope for County Route 551. The depth of water main was found to be approximately ten (10) feet deep and this required additional slope stabilization and the use of an excavation box to maintain the trench stability during the work of cutting and rerouting the water main over the existing County drainage culvert. Record drawings for the location and depth of the water main did not exist and attempts to locate the main before the start of the work were largely inconclusive. This additional work could not be anticipated and could not be delayed as it was necessary to minimize the exposure of the work area to groundwater and erosion issues. The costs related to the additional work and furnishing of such services in the amount of \$20,796.91 has caused an increase of the cost of the Contract by 30% above the original contract amount of \$69,270 for a revised total contract amount of \$90,066.91.

The Township Engineer, T&M Associates, determined that the extra costs were necessary for the Project. Based upon the recommendation of the Township Engineer, the Township Committee adopted Resolution #2017 - 271 after it determined that it is in the best interest of the residents of the Township of West Deptford to authorize Change Order No. 1 which resulted in an increase in excess of 20% of the Contract amount.
