COUNTY ADMINISTRATOR'S MESSAGE

The Honorable Board of Supervisors Isle of Wight County, Virginia

Honorable Members of the Board:

I am pleased to submit the FY 2020-21 budget for Isle of Wight County to the Board of Supervisors and our citizens. This Budget was prepared to meet the needs of a growing community while dealing with the uncertainty of the COVID-19 Pandemic. The team of staff responsible for preparing the budget has attempted to create a document that is more transparent and understandable to every citizen and addresses the basic responsibilities of local government.

The FY 2020-21 budget is notable for the fact that for the seventh year in a row, there will be **no** change in the real estate tax rate of \$.85 or the personal property tax rate of \$4.50. The Machinery & Tools (M&T) tax rate will also remain at \$1.75. One penny of real estate tax is expected to generate \$482,600.

One of the key priorities for the upcoming fiscal year is to fund the necessary functions of Isle of Wight County while preparing for future needs.

The General Fund budget totals \$80,045,138. The largest source of these funds is from General Property taxes (\$59.0 million) or 74% of the budget. The largest uses of County funds are for Education (\$27.5 million, 34%), Public Safety (\$12.3 million, 15%), and Debt Service (\$11.8 million, 15%). Some of our goals include diversifying our revenue sources to become less dependent on property taxes and reducing debt service as a percentage of our expenditures.

Revenue Highlights

Real Property Taxes – Housing starts rebounded in 2019 and increased 28% from the previous year. There were 203 housing starts in 2019 compared to 158 in 2018; however, commercial development and construction continue to be nonexistent. In FY19, 84% of all housing starts occurred in the northern end of the

P.O. Box 80 17090 Monument Circle Isle of Wight, VA 23397 (757) 365-6204

www.co.isle-of-wight.va.us

county, 51% in the Newport District and 33% in the Smithfield District. A 3.1% change in assessments is forecast for FY 21 with revenue of \$39,500,000.

Personal Property – Motor Vehicles – The value of used motor vehicles grew by 1% in 2019 relative to 2018 according to J.D. Power. Used vehicle values represent 85% of the county's vehicle values. The taxable fleet in Isle of Wight County is composed of 57% trucks and 43% cars. In 2019, the median sale price of new trucks in Isle of Wight County was \$28,732 compared with new cars at \$20,338. A 3.0% growth is forecast for FY 21 with revenue of \$9,081,000.

Machinery & Tools Tax – Modest growth in the amount of 1% of assessments for the M&T tax is expected to generate revenue of \$5,075,000.

Public Service Corporation Taxes — Public Service assessments are adjusted annually based on the real estate sales ratio as determined by the Department of Taxation. As real estate sale prices exceed assessments, the county's sales ratio declines. Last year, our public service revenue increased 5%. It is anticipated that the assessments will increase 2% in the next fiscal year which will result in revenue of \$1,521,000.

Meals Tax – The meals tax has increased for the past 5 consecutive years. The 2019 reporting period increased 6% over the previous period and 2018 experienced growth of 15% over the previous year. This actual growth in meals tax dollars this past year was the smallest in the past 4 years indicating a slowing down in growth before factoring in the effects from the COVID-19 Pandemic. A 1.6% increase is forecast for FY21 with revenue of \$562,000.

Utilities Fund – No increase in water and sewer rates has been included in the budget. We also plan to begin monthly billing for utilities which will help our citizens with their household budgeting.

Expenditure Highlights

<u>Impacts from COVID-19 Pandemic</u> – The impacts from the COVID-19 Pandemic that is affecting Isle of Wight County and the entire world has caused some dramatic changes in the way I am proposing this year's budget. Many of our traditional revenues may be impacted in ways that we cannot anticipate at this time. Accordingly, I am proposing that a significant portion of our projected increases in revenue be placed in Contingency so that those funds can be reallocated later in the fiscal year if our revenues come in as originally predicted.

Public Schools – There is no increase proposed in local funds for the Isle of Wight County Public Schools at this time. \$715,830 is included in debt service to finance

\$7.9 million in improvements at Smithfield High School and Windsor High School for enhanced Career & Technical Program options for students.

Public Safety — The budget continues the replacement schedule for Sheriff's Office vehicles by leasing 9 new vehicles. The new E911 radio system is complete and out of warranty. The full maintenance cost for the new system has been included in the E911 budget which resulted in the County's portion increasing by \$291,227. No additional positions for the Sheriff's department are proposed at this time.

Fire and Rescue Response – With the change in the FY20 budget to convert part-time Fire Medic positions to 3 full-time positions we are currently operating with 40% of our daily staffing level filled by part-time staff. I am proposing to convert 3 more positions to full-time in the FY21 budget to reduce our reliance on part-timers to 30%. The Fire Rescue Association voted to support this proposal at their meeting in March. The overall budget for Fire & Rescue Response increased by \$241,579 with \$101,000 of that amount directed to the Volunteer departments.

Public Works – Maintenance costs, Utilities, and PPE equipment represent the bulk of the increases in Public Works. Utilities have increased \$18,500 and PPE equipment is expected to cost an additional \$16,000. \$8,000 is also budgeted to replace the carbon monoxide filtering system at the Smithfield and IOW Rescue stations.

Debt Service – Debt service payments reached their peak in FY20 and will decline in FY21. Our total debt payments for the General Fund in FY21 will be \$11.8 million which is a reduction of \$209,259. This amount includes a new line item of \$198,567 to begin creation of a debt service reserve fund as we plan for the issuance of bonds to replace Hardy and Westside elementary schools along with other county projects. \$7.5 million of the payments will be principal.

<u>Personnel</u>

Isle of Wight County competes for employees across the Hampton Roads region. The Board of Supervisors made a significant investment in our personnel in 2015 with a compensation study to address inequities and to make Isle of Wight County an attractive place to work. To maintain our competitiveness, I had planned to include a 2% general wage increase to keep us from falling behind our peer jurisdictions. The disruption in the economy due to the COVID-19 Pandemic has changed those plans. I recommend that we monitor our revenues through December and re-evaluate whether a wage increase is possible later in the year.

The County Health Plan experienced an unexpected decrease of 2% in total costs. We are continuing the same County/Employee cost sharing plan for health insurance established last year which will reduce the costs for the County

(\$68,000) and employees. Employee premiums for FY21 will include an average 2% decrease in health insurance costs for the base health plan (Key Advantage 500 with Comprehensive Dental). We are also proposing the addition of a High Deductible Health Plan (with Health Savings Account). This plan has the potential to provide savings for employees and the County.

Fleet Upgrades

In addition to new vehicles for the Sheriff's department, a total of 5 other vehicles are proposed to replace aging or high mileage vehicles in the following departments: Public Works, Parks & Recreation, Tourism and Public Utilities.

Capital Budget

Consistent with the Board's adoption of the FY2021-30 Capital Improvements Program, a Capital Budget of \$15.2 million is included to move various capital projects forward. Significant capital expenditures include replacement of Hardy Elementary School (\$22 million) and replacement of an ambulance and ladder truck (\$1.5 million).

The Capital Budget will require additional borrowing of approximately \$58 million to fund these needs over the next 5 years.

<u>Acknowledgements</u>

I would like to thank all the Constitutional Officers, Department Heads and staff for submitting conservative and well-researched budget requests. I have been impressed with the creativity and cost-saving suggestions from all our staff. I would especially like to thank Don Robertson, Stephanie Humphries, and Teresa Morgan for organizing the budget requests and preparing countless budget scenarios. This has truly been a team effort.

Sincerely,

Randy Keaton

County Administrator

FY21 Budget Highlights

Revenues:

- \$1,115,555 increase Property Taxes (Real & Personal)
- \$64,000 increase Other local taxes
- \$75,000 increase Interest Earnings
- \$120,000 increase EMS Revenue
- \$254,385 decrease Indirect cost
- \$202,206 decrease BAB subsidy

Expenses:

- \$877,678 increase in overall budget
- \$497,225 increase in contingency
- \$291,227 increase in E911 (radio maintenance)
- \$241,579 increase in Fire & Rescue Response 3 full-time positions & increase for Volunteer Departments
- \$218,918 increase in jail budget due to change in IOW %
- \$198,567 increase new line item for debt service reserve
- \$190,617 increase tax relief (elderly & disabled, disabled veteran)
- \$209,259 decrease in Debt Service
- \$174,711 decrease in County Attorney budget
- \$142,074 decrease in Parks & Recreation Grounds
- \$60,000 reduction in bank fees Treasurer

What wasn't funded:

- School requests (\$388,639)
- 6 positions in Sheriff
- 4 positions in Public Utilities
- 1 position in Inspections
- 1 position in Parks & Recreation
- 1 position in Treasurer
- 1 position in E911

Isle of Wight County

Debt Ratio Policy Limitations

4% Debt as a Percentage of Assessed Value

This ratio indicates the relationship between the County's debt and the total taxable value of real and personal property in the County. It is an important indicator of the County's ability to repay debt, because property taxes are the source of the County's revenues used to repay debt. A small ratio is an indication that the County will be better able to withstand possible future economic downturns and continue to meet its debt obligations.

| | FY20 |
|-----------------------|---------------|
| Assessed Value | 5,332,761,761 |
| Allowed Debt Limit | x 4% |
| Maximum Debt Allowed | 213,310,470 |
| Current Debt | 138,037,818 |
| Available for Issue | 75,272,652 |
| Proposed | \$64,000,000 |
| Meet or Exceed Limit? | Meets |

12% Debt as a Percentage of General Government Expenditures

This ratio is a measure of the County's ability to repay debt without hampering other County services. A smaller ratio indicates a lesser burden on the County's operating budget. The numerator shall include debt that is not self-supporting from a user fee or designated revenue stream. A self-supporting revenue stream is defined as a revenue stream that provides coverage of all debt service obligations without general fund support (to include tax assessment districts and funds supported by committed state revenues in support of such debt). Any long term financing lease obligations which may be subject to annual appropriation by the County will also be included in the calculations of tax-supported debt service. General governmental expenditures are expenditures reported in the County's governmental funds (excluding the General Fund Contribution to Schools and the Capital Projects Fund) and expenditures reported in the School Operating and Food Service Funds.
