

COUNTY of ISLE OF WIGHT

THE COURTHOUSE

MEMORANDUM

Date: October 15, 2009

To: Department of Inspections Staff

From: Arthur E. Berkley, CBO, CZA
Director of Inspections 

Subject: Pool & Fence Permits

Please be advised, effective November 1, 2009 the department policy for the issuance of pool permits shall be as follows:

Prior to issuance of a building permit for an in-ground pool either the applicant or the owner shall obtain a building and zoning permit for the fence that will serve as the barrier required by Chapter 31, Section 3109.4.1 of the Virginia Uniform Statewide Building Code.

Prior to issuance of a building permit for an above ground pool, the owner shall provide the County with a signed and notarized affidavit stating they are aware any above ground pool which does not provide a minimum 48" barrier above grade shall be protected by a barrier mounted to the top of the pool or the pool area enclosed with a fence meeting the requirements of the aforementioned code section.

As always, your cooperation in this matter will be greatly appreciated.
