Hands & Hearts Foundation Inc. & Something Special

Hands & Hearts was started in 2017 to create a place where adults with intellectual and other disabilities can get together to build lasting relationships while participating in activities intended to build a sense of community and personal growth. The program is held two to three times a month, offering fun activities, outings, and civic projects. Additionally, the program maintains Something Special, a unique thrift shop in downtown Smithfield. The shop is supported by donations and volunteers, and all proceeds benefit the Hands & Hearts program.

Something Special, a thrift shop located at 302A Main Street in Smithfield is a place where adults with disabilities can learn basic job and socialization skills while interacting with people of all capabilities. We have a staff of dedicated volunteers who work to help achieve these goals with those that work at the store. The shop is open Wednesday through Friday from 11 a.m. to 4 p.m. and on Saturdays from 10 a.m. to 4 p.m..

ISLE OF WIGHT
COUNTY, VIRGINIA
DEPARTMENT OF PARKS AND RECREATION

Isle of Wight County Department of Social Services

To enhance the quality of life by strengthening families and individuals, promoting safety and self-sufficiency through agency programs and community partnerships.

Adult Services allows the adult to remain in the least restrictive setting and function as independently as possible by establishing and/or strengthening appropriate family and social support systems or by supporting the adult in self-determination. Adult Services may include the provision of case management, home-based care, companion care services, and other activities to help the adult live independently.

Companion Program- Companion services are performed by home based care agency provider, who assist adults unable to care for themselves without assistance and where there is no one available to provide the needed services without costs. Individuals must meet eligibility requirements. Companion care activities include assistance with bathing; dressing; toileting eating/feeding; meal preparation shopping; supervision; light housekeeping and companionship.

Nursing Home Pre-Screenings are conducted by a health department nurse and agency family services worker team to determine eligibility for long-term care services, which may include nursing home placement or community-based care services in the home.

Assisted Living Facility Assessments are completed for person needed to move to an assisted living facility and will be eligible for Auxiliary Grant payment to help with the cost of care in the facility.

Peninsula Challenger League

Virginia District 7 LL is honored to have the responsibility of overseeing the largest baseball program for mentally & physically challenged youth on the Virginia Peninsula.

These young men and women enter the gates with no fear, no worries and no envy.

The Challenger Division was established in 1989 as a separate division of Little League Baseball to enable boys and girls with physical and mental disabilities, ages 4-16 or the completion of high school, to enjoy the game of baseball along with the millions of other children who participate in this sport worldwide.

Teams are set up according to abilities, rather than age, and can include as many as 15-20 players, who can participate in one of three levels: Tee-Ball, Coach-Pitch or Player Pitch.

One of the benefits of having a Challenger Division is that it encourages the use of "buddies" for the Challenger players. The buddies assist the Challenger players on the field but whenever possible, encourage the players to bat and make plays themselves.

However, the buddy is always nearby to help when needed.

Versability Resources

VersAbility supports people of all ages with disabilities to help them lead full and productive lives of their choosing. Our Early Prevention and Intervention for Children (EPIC) program tailors therapy programs for infants and toddlers with developmental delays. We prepare students for life after high school and the transition to employment and postsecondary education with our Future of Work program and via our Pre-Employment Transition Services program.

We create jobs for people with disabilities across the nation thanks to our Government Contracts program, which includes ongoing contracts with the U.S. Navy and U.S. Air Force. This program enables people with disabilities to work alongside enlisted and civilian personnel at military bases from Hampton Roads to Hawaii and Guam. We also recruit talented employees with disabilities to work onsite at regional businesses through our Supported Employment program.

Through Day Support programs in Hampton and Newport News, people with disabilities develop new skills and engage in the community through volunteer, recreational, arts and leisure activities. The Puller Center in Gloucester offers day support services to adults with disabilities.

For individuals with significant disabilities, VersAbility operates eight residential homes in Hampton, Newport News and York County, each with trained staff for 24/7/365 support.
