

## Town of Woodfin Comprehensive Plan

The Town of Woodfin is undergoing a comprehensive planning process and needs your input! Woodfin's Comprehensive Plan will establish goals and priorities that guide future growth and development. It will also provide a basis for decision-making, problem-solving and policy development for the Town over the next 10-20 years.

Please share your ideas and priorities by completing a public input survey – you can complete it online here: <https://tinyurl.com/TOWCPSURVEY>.

Printed copies of the survey in English and Spanish are available at Town Hall and the Woodfin Water Department.
