

Dear Board:

As always, I hope this packet finds you in good health and spirits. As you will recall we are having our Annual Board Retreat this coming Tuesday the 8th. The Board can begin a general process of outlining priorities and issues you would like to address in the coming year. I have left this part of the agenda undefined so that the Aldermen can exercise and discuss their own priorities without limitation, however, some areas that we will wish to address include: The community center, the upcoming 2007-08 fiscal year budget, the construction of the new public works building. Lunch and drinks will be provided.

I look forward to seeing you on Tuesday. As always if you have any questions or concerns please call me at 768-4887.

Yours truly,

Jason
