

From my family to yours let me be among the first to wish you a happy and joyous holiday season. With so much going on in our community and in our own lives it seems as if we are never able to catch up on anything, however, this month we have a fairly light agenda and I expect that we will be able to move through it quickly as we begin to prepare for the Thanksgiving holiday. As always if you have any questions or concerns regarding the agenda packet or any municipal business please feel free to contact me at your convenience. I am always available at 768-4887 or at jasonyoung@charter.net.

Thank you once again for the opportunity to serve such a wonderful community and a special thank you to each of you for taking the time to serve the people of Woodfin.

Yours truly,

Jason
