## Remembrance Ceremony: September 11, 2001

You're invited to join the Woodridge Police Department, Village of Woodridge, Lisle Police Department, Lisle-Woodridge Fire District, and the Woodridge VFW Post 1578 for a [ceremony of remembrance](#).

The ceremony will take place on Saturday, Sept. 11 at 8:30 a.m. at Kagann Plaza, located just outside of Village Hall, 5 Plaza Dr. All residents are welcome to attend.

## Open Building Permit? Schedule Your Inspection Today!

Do you have a permit on a project on your house? Make sure to get your inspections scheduled and approved with the Village. It's all included in the cost of your permit and assures your project is done correctly and to current building codes. Open permits without final inspections will hold up the sale of your home, and transfer stamps will not be issued. Don't let this happen; get your final inspections and your permit closed. Call (630) 719-4750 for all inspection and inquiries. The Village also recommends obtaining a final inspection approval before making the final payment on your projects. Get your home improvements done right! Questions? Call (630) 719-4750.

## Statewide Indoor Mask Mandate

Governor Pritzker announced earlier this week that the state is instituting an indoor mask mandate for all Illinois residents, regardless of vaccination status, which will go into effect Monday, August 30. Regarding outdoor mask use - while not required, masks are strongly encouraged in crowded outdoor settings like festivals and concerts as well as for activities that require close contact with people who are not vaccinated. ## School Drop-Off & Pick-Up Zones

It's that time of year when school is back in session! The combination of school days and construction frequently result in increased traffic congestion. Schools often have precise drop-off & pick-up zone procedures – please follow them for the safety of all students. Parents should check with their school about the appropriate drop-off and pick-up rules.
