Letters of Thanks to our Veterans

Recently, the [Woodridge VFW](#), [JANO](#), and [Woodridge School District 68](#) wrote thank you letters for veterans and active soldiers. The Woodridge VFW and JANO started writing letters to veterans in 2017, and the program continues to grow.

This year, JANO added Woodridge School District 68 to the cause. Bob Reichert from the Woodridge VFW and Anne Banks from JANO met at the Woodridge Public Library on Monday, November 1, to review the letters and create a distribution plan. Woodridge VFW and JANO will send 1,800 to veterans and active-duty members of the military.

"Having spent a year deployed in Thailand during Vietnam, I know these types of letters and packages are extremely important," said Bob Reichert, quartermaster, Woodridge VFW Post 1578. "Personal letters of appreciation are often some of the most memorable and positive items that our military service members receive."

Please see this video highlighting the 2021 letters initiative.
