Village of Woodridge

March 24, 2023

Greetings!

We are Sad to Share the Passing of Library Director Pam Dubé

It is with deep sadness that we mourn the passing of the Woodridge Public Library's esteemed director, Pam Dubé, who lost her battle with cancer on Sunday. Director Dubé's family will hold a private service and requests that in lieu of flowers, memorials may be made in her name to the Woodridge Public Library. The Library promises to use the memorial funds to accomplish something that Pam would have found interesting, and in Pam's words something "not boring."

Mayor Gina Cunningham has directed that the Woodridge Town Centre flag will be flown at half-staff beginning on March 22, in Pam's Honor.

Our hearts and deepest condolences go out to Pam's family, her many friends in the library world, her Woodridge Rotary, Library, and Village colleagues, and to everyone touched by her joy and infectious enthusiasm. Director Dubé, a champion in her advocacy on behalf of the WPL, was proud of her position here in Woodridge, expressing to friends and colleagues that she had found her professional "home."

She will be dearly missed by all.

Yard Waste Collection Begins April 1

Yard waste collection officially resumes on April 1 and continues through December 15. Residents can dispose of yard waste at the curb on their normal refuse collection day. One sticker is required for every 33 gallon unlined container or yard waste paper bag. Brush should be packaged in bundles no more than 4 feet in length and 2 feet in diameter. Each bundle must have a yard waste sticker attached and cannot weigh more than 50 pounds.

Residents can also use environmentally friendly alternatives to dispose of yard waste. These options include mulching and composting. Visit DuPage County's website, www.dupageco.org, for information on composting.

The CSO position performs a variety of technical and administrative tasks in support of the Police Department's operations; enforces State and local traffic and parking regulations, performs limited investigative work and provides responsive, courteous and efficient service to Village residents and the general public.

To apply, please visit the Village's [new online employment portal](#).

Reminders About Campaign Signs

With the upcoming Consolidated Election on April 4, 2023, the Village would like to remind the public that political campaign signs may not be placed in the public right-of-way (ROW). The ROW typically includes the sidewalk and the area between the sidewalk and road. Signs placed in the ROW are not permitted and are subject to removal. For more information, visit the [Village Code](#) or contact the Community Development Department at: (630) 719-4750. Signs in the ROW may be removed by other governmental agencies as not all roadways are Village jurisdiction.

ComEd's Power Planting Program

ComEd is saying "thank you" for cooperating in our efforts to improve electric service in your neighborhood by offering two free trees to help improve the green space in your area. Trees provide shade, wildlife habitat, energy savings and many other environmental benefits. That's why ComEd has partnered with the Arbor Day Foundation to create the Power Planting Program and provide trees for your community. We hope the free trees will bring enjoyment to you and your community now, and for years to come.

Energy-Saving Trees is a unique online tool designed to help you better understand where to plant trees on your property for maximum energy savings, as well as improve the reliability of electric service.

In less than ten minutes, you can reserve your free trees. [Get started](#) by entering your address and clicking the start button, and thank you for participating in this exciting program.
