curb on their normal refuse collection day. One sticker is required for every 33 gallon unlined container or yard waste paper bag. Brush should be packaged in bundles no more than 4 feet in length and 2 feet in diameter. Each bundle must have a yard waste sticker attached and cannot weigh more than 50 pounds.

Residents can also use environmentally friendly alternatives to dispose of yard waste. These options include mulching and composting. Visit DuPage County's website, www.dupageco.org, for information on composting.

Plan Commission

Farmingdale Village Townhomes - 8405 Woodward Avenue: Request by M/I Homes for rezoning property from ORI to A-1 Residential District and a major amendment to the McAdams Regional Planned Unit Development, along with other approvals, to construct 77 attached single family townhome units (14 buildings) instead of the remaining 144 condominium units (9 buildings) originally approved for the vacant property located behind the Farmingdale Village Condos at 8405 Woodward Avenue.

Two Lot Subdivision - 3005 71st Street: Request by Tony Papa to subdivide his residential lot at 3005 71st Street into two residential lots. The lot currently consists of one residential house. After subdividing, the existing house will be entirely on Lot 1 and Lot 2 will be vacant.

Reminders About Campaign Signs

With the upcoming Consolidated Election on April 4, 2023, the Village would like to remind the public that political campaign signs may not be placed in the public right-of-way (ROW). The ROW typically includes the sidewalk and the area between the sidewalk and road. Signs placed in the ROW are not permitted and are subject to removal. For more information, visit the [Village Code](#) or contact the Community Development Department at: (630) 719-4750. Signs in the ROW may be removed by other governmental agencies as not all roadways are Village jurisdiction.

DuPage County Ranked Healthiest County in Illinois for Third Consecutive Year

The DuPage County Health Department is pleased to announce for the third consecutive year, DuPage County has been ranked the healthiest county in Illinois according to the 2023 County Health Rankings & Roadmaps. The county rankings, developed annually by the Robert Wood Johnson Foundation and the University of Wisconsin Population Health Institute, are based on quality-of-life factors such as longevity and overall health status,

Illinois.

including physical and mental health.

The county rankings are an easy-to-use snapshot that compares counties within states, demonstrating that where you live influences how well and how long you live.

The rankings use more than 30 measures to help communities understand how healthy their residents are today (Health Outcomes) and what will impact their health in the future (Health Factors), which are used to measure the current overall health of each county in all 50 states. DuPage County has ranked number one in both categories since 2021 among the 102 counties in

ComEd's Power Planting Program

ComEd is saying "thank you" for cooperating in our efforts to improve electric service in your neighborhood by offering two free trees to help improve the green space in your area. Trees provide shade, wildlife habitat, energy savings and many other environmental benefits. That's why ComEd has partnered with the Arbor Day Foundation to create the Power Planting Program and provide trees for your community. We hope the free trees will bring enjoyment to you and your community now, and for years to come.

Energy-Saving Trees is a unique online tool designed to help you better understand where to plant trees on your property for maximum energy savings, as well as improve the reliability of electric service.

In less than ten minutes, you can reserve your free trees. [Get started](#) by entering your address and clicking the start button, and thank you for participating in this exciting program.
