## Woodridge Police Investigate Shooting

- Officers responded to reports of multiple shots fired on July 1 at 11:29 p.m.
- Two people sustained non-life-threatening injuries
- The preliminary investigation indicates that this was a targeted incident

**WOODRIDGE, Ill., July 2, 2020:** Woodridge police officers responded to the area near Janes Ave. and Waterbury Dr. for multiple reports of shots fired on July 1 at 11:29 p.m. Upon arrival, officers located a shooting victim, applied first aid, and the Lisle-Woodridge Fire Department transported the victim to Bolingbrook Hospital.

An additional victim – who had sustained non-life-threatening injuries – had transported himself to Bolingbrook Hospital. Both victims had received non-life-threatening injuries. The Lisle Police Department, Darien Police Department, and Bolingbrook Police Department assisted at the scene.

The preliminary investigation indicates that the offender targeted the victims. Woodridge Police Department detectives are currently investigating this incident, and updates will follow as they develop.
